

Self-Help Funds Received For Doyle Land

The town has received reimbursement from the state under the self-help program for the purchase of the Doyle land off High Plain road. In a letter to the conservation commission, Joel A. Lerner, director of the division of conservation service for the state environmental affairs office, reported that approval has been granted for payment of \$150,000 to the town for the 75 acres purchased through town meeting action of 1974.

The check is to be deposited to the town's account at the Boston Safe Deposit and Trust Co.

The payment is one-half of the total purchase price of the parcel which is being administered by the conservation commission and dedicated to passive recreation purposes for residents.

Manager Examining Town Position On Revaluation

Olympics Winner

Barbara White, a student at West Junior High School, was the winner of high singles honors in the statewide special olympics bowling tournament held Sunday in Leominster. Here, she displays her trophy and medals for her accomplishment in the tournament conducted under the sponsorship of the Kennedy Foundation.

Andover's administration is gearing up to be a defensive about revaluation, in the wake of voters rejecting for the third time in a year a revaluation program for the town.

With a court order that the town conduct an equalization program, voters last week initially approved by a single vote the \$150,000 for revaluation work, but a recount saw the item defeated 339-356.

The matter also lost at last year's annual town meeting and the special session in October.

In view of the action, Town Manager Jared S. A. Clark said this week he was going to reevaluate the town's position with regard to the court case pending against Andover — one of a dozen communities in the state ordered to initiate revaluation procedures.

Clark said he would be conferring with Town Counsel Alfred Daniels who has been monitoring the situation with legal groups representing the other communities in which the state has taken court action.

The manager said he would be kept apprised of the situation by Daniels and as a minimum position, he would "preserve the town's options to do the revaluation ourselves. So long as we have to bear the expense, (if ordered by the court) we should have the option of having the work done satisfactory to the town."

"As a maximum position, we should see to it that the order applies to all municipalities in the state as opposed to singling a fraction of the Commonwealth."

Clark also noted that the issue may be back on the agenda at the next annual town meeting do to alternatives now being offered.

He cited the referenda item which will appear on the state election ballot in November known as the classification bill, in which properties such as industrial, residential, commercial, undeveloped land areas, etc., would be assessed at certain percentages.

"If the bill becomes law, then we will have to come back at the next annual town meeting for a revaluation with a different basis to work from."

The manager also felt that some input may be provided through the appointment of a special committee created by town meeting to study exemptions for the elderly in the community. That committee will be appointed soon and begin their study.

He pointed to several factors the committee would be considering, among which are the fact that it is beneficial for elderly persons to maintain single family residences and that some additional factors can be considered, such as school costs which are clearly defineable, and where they are apportioned.

Last week, voters were asked to consider the revaluation issue on its own merit, not on the court order. The town has revalued every ten years, the voters were told, in order to maintain a fair share-equalized assessment of municipal costs for all taxpayers.

But, as he did a year ago, former Selectman Milton Greenberg, argued that Andover's amount of state aid would be decreased by a revaluation.

Assessor Chairman Archibald Maclaren argued against Greenberg's contention stating that state reimbursements are based on the town's "equalized valuation."

High School Choir Off On Tour

The Andover High School Choir left this morning for their spring concert tour in Philadelphia and Washington. The students raised their own money for the trip through various fund-raising events during the past school year. One of the highlights of the trip will be a concert on the steps of the capitol building.

Some time in early June, a parents meeting will be held so highlights of the trip, which will be video-taped, can be seen. Chaperons going along with Keith

Gould, choir director, will be Tom Heislein, Elliot Winnick, Carol Levante, Lois Gould, Liz Fitzpatrick, Marilyn Wright and Carol Hetley.

Everett "Uncle John" Collins will meet the tour in Washington. All groups within the choir, The Madrigals, Barbershop, Girls Chorale, Chantrells and The Handbell Choir, will perform in both cities. The students will return to Andover Sunday.

Pocket Mime To Be Featured

The Pocket Mime, the third feature in the Andover Cultural Series, will perform on Friday, May 12, 8 p.m. in the George Washington Auditorium (Phillips Academy). Tickets may be purchased at the Recreation/Community Schools Office, 36 Bartlet St., or at posted locations throughout Andover.

The Boston company, seen regularly on anti-smoking and anti-drinking T.V. public service ads, has become one of the foremost mime groups in America. They have taken the art popularized by Marcel Marceau beyond the silent skit to include character studies, comic pieces and more complex pieces of a serious and memorable genre, characterizing our society through their "slices of life."

The Andover Chamber of Commerce will sponsor a wine and cheese reception following the performance. This complimentary reception is for series ticket

holders and will be held in the Underwood Room. Those who do not have a series ticket may attend the reception following the performance for a fee. These tickets may be purchased at the door.

The Andover Cultural Series is sponsored by the Recreation/Community Schools Department. This performance is supported in part by the Massachusetts Council on the Arts and Humanities.

Inducted In Journalism Society

Miss Susan J. Rand of North Andover, was inducted into the Society for Collegiate Journalism, the national journalistic fraternity at Honors Convocation, May 1, at Keuka College.

The purposes of the organization are to stimulate interest in journalism and to encourage participation in campus publications.

Miss Rand was also inducted into Alpha Sigma Kappa, local service fraternity at Keuka College. Students are elected to the membership on the basis of service to campus organizations. Members assist the college marshals and other faculty and staff members as ushers and hostesses for special events.

Miss Rand is a member of the class of 1980 and is the daughter of Mr. and Mrs. David C. Rand, 280 Dale Street.

Town House Topics

To Streamline Sewer Tie-In Process

Officials involved in the granting of permits for tie-ins to the town sewer system, will be presented a plan for streamlining the process within the next two weeks.

Town Manager Jared S. A. Clark will be working on a plan whereby the permit route will be expedited.

At present the board of health, planning board and selectmen, sitting as the sewer commissioners, are involved in the process, with a 45-day limit between time of application to decision making. If a

decision is not made within the 45-day period, permission is granted automatically.

The town manager said this week that it is his thought to have plans submitted simultaneously and to have a check list developed indicating that all town regulations have been met.

It is expected that contractors will have the opportunity to examine the policy and comment on it when presented to selectmen for adoption.

Town Hall To Have Some Improvements

Some minor readjustments in offices in the town hall are being planned by Town Manager Jared S. A. Clark.

Clark informed selectmen this

week that some space reallocation is contemplated to produce more efficiency.

Also on the agenda will be some painting to freshen the appearance of the building.

Development Director Appointment

The newly created position of community development director is high on the list of priority appointments, now that town meeting is completed.

Town Manager Jared S. A. Clark said Wednesday that he will be working on filling the post which was approved and budgeted by town meeting last week. He anticipates it will be six to eight

weeks before the actual appointment is made.

The new position will be to guide the inspection procedures in the town and generally maintain an awareness of the town's growth and the development of an overall growth policy for the community.

The director will be working primarily in the health, planning, building and conservation department areas.

Selectmen Meet Monday

The selectmen will meet in regular session Monday in the meeting room of Memorial Hall library.

Among anticipated items on the

agenda is a discussion with officials proposing the development of a trade center in the West Andover industrial area.

School Board win Session Tuesday

The next regular meeting of the school committee will be held

Tuesday at 7:30 p.m. in the meeting rooms at Stowe school.

Chamber Women's Group To Present Flavin

The Women's Division of the Greater Lawrence Chamber of Commerce will present "Flavin At Large" on Sunday, May 7, 8 p.m., at the Methuen High School.

Dick Flavin, WBZ-TV's "Reporter At Large," is the only major market television journalist specializing in political satire. His reports, which use poetry, music and parodies, incorporate humor as a means of commenting on the local, state, or national issues of the day.

The Women's Division serves to foster the spirit of cultural and commercial progress among the business and professional women of the community and to encourage goodwill and fellowship in the advancement of economic, industrial, commercial, cultural, professional, social, educational and civic welfare of the Greater Lawrence area which they represent.

Linda Mallen is Chairwoman of the Lecture Series Committee. Committee members include: Joan Buglione, Zillah Buzzell, Anne Concemi, Mary Doherty, Alexis Korbey, Marianne Sapienza, Helen Shadallah, and Joyce Simone.

Tickets may be obtained from any member of the Committee or at the Chamber office at 300 Essex Street. Tickets may also be purchased at the door.

On Committee

William V. Emmons, O.D., of Andover is a committee member of the Massachusetts Society for the Prevention of Blindness gala benefit dinner dance, The Iris Ball, to be held Sunday, May 21, at the Oakley Country Club, 410 Belmont Street, Watertown. The iris, the colored part of the eye and the harbinger of spring, is to be featured at the Ball.

Bolton Re-Elected Chairman

A. L. "Roy" Bolton of North Andover has been elected to a second one-year term as board chairman of the largest organization of industrial employers in New England, Associated Industries of Massachusetts.

His election came at the 63rd annual meeting of AIM at the Marriott Motor Hotel, where some 700 industrial executives and guests met to hear syndicated political columnist David S. Broder deliver the keynote address.

Bolton is chairman of Bolton-Emerson Inc. of Lawrence, and is a director of Vertipile Inc. of Leominster, Arrow Insurance Company and the Merrimack Valley Bank. Active in community affairs, he is a trustee of the Lawrence Home for the Aged and the city's public library.

He told the association he has been encouraged that, despite the public focus on scandal and controversy in state government, there is a more positive attitude on Beacon Hill to the needs and problems of private industry.

"But the real key, if industry's case is to be put forcefully and convincingly in the Legislature, or in Congress, or before the countless rule-making agencies of government, is that there must be a constituency at the community level that clearly and obviously supports such views," Bolton said. "Our task is clear, and always has been. It is only lately that we have started thinking about it as a corporate function, and realizing the need for personal involvement by corporate leadership."

New AIM officers include Leo R. Flynn of Milton as treasurer and William R. Thurston of Harvard as assistant treasurer, succeeding, respectively, Albert O. Wilson of Lexington and Henry K. Porter of Winchester. Flynn is chairman and president of Sigma Instruments Inc. of Braintree and Thurston is president of GenRad Inc. of Concord.

A newly-elected vice chairman of the AIM board is John G. Gallup of

Longmeadow, president of Strathmore Paper Company of Westfield.

A feature of the meeting was an informal reception for candidates for governor of Massachusetts, complete with posters, bunting and balloons. AIM members had a chance to meet and hear, briefly, five challengers for Governor Dukakis' post—Republicans Francis W. Hatch Jr., Edward F. King and John J. Buckley, and Democrats Edward J. King and Barbara Ackerman.

Pulitzer Prize winner Broder, associate

editor of the Washington Post, addressed the annual banquet, providing a view of Washington behind the headlines. The afternoon program was highlighted by author-lecturer Dick Milham, who spoke of "America Without Apology."

Twelve new directors were elected at the annual business meeting of the association, which has a membership of some 2500 Massachusetts manufacturing firms and has long been known as the "voice of industry" in the Bay State.

'Big Show' Cast Is Selected

Co-directors Anne Ericson and Nona Winnick have announced the cast for "The Bad Children—A Musical Version of Hansel and Gretel" to be presented May 20 at the "Big Show" for Andonna's annual Clown Town.

The Witch will be played by Lynne Hamilton, an eighth grader at North Andover middle school. Lynne has been active in school productions and with The Junior Garrett Players.

The Enchanter is to be played by Jay Winnick, who played the cowardly lion in last year's Clown Town presentation of "Wizard Of Oz," and most recently seen in East Junior High's production of "HMS Pinafore" as the Captain.

Hansel will be played by David Lewis, and eighth grader at West Junior High, who appeared recently in that school's

presentation of "M.A.S.H."

Gretel is played by Andrea Callahan, a seventh grader at North Andover Middle School, who has been active in school plays. Mother is being played by a newcomer to Andover—Dominique Goulet, a Junior at Andover High, who had extensive theater experience in New York. Father is being played by Mark O'Brien, who has been active with A.C.T. for many years, is a freshman at Boston University, and was last seen in A.C.T.'s production "5th Season." Lara Hopwood will play the rabbit. Lara is an eighth grader at East Junior High, and recently was seen as the Captain's daughter in "HMS Pinafore."

There will be three performances of the Big Show this year to be presented in the auditorium at East Junior High School. First performance will be 11 a.m. The se-

To Appear At 'Pops'

Pianist Carol Eaton Elowe of Andover, will appear as a guest artist with the Boston Pops Orchestra under the direction of Arthur Fiedler at the 31st annual "Bowdoin Night at the Pops" May 14.

The concert, which will be attended by Bowdoin College alumni, their families, faculty members, students and friends, will be held in Symphony Hall, Boston, at 7:30 p.m. The event is sponsored by the Bowdoin Club of Boston, the nation's largest Bowdoin alumni organization, in support of the scholarship program at the Brunswick, Me., liberal arts college.

Special guests at this year's concert will be Dr. Roger Howell, Jr., President of Bowdoin; and Dr. Willard F. Enteman, former President of Union College, who will succeed Dr. Howell as Bowdoin's 11th President July 1. Dr. Howell is resigning after ten years in office in order to return to full-time teaching and research.

Mrs. Elowe, whose husband, Edmond, is a member of Bowdoin's Class of 1952, will perform the first movement of Beethoven's Piano Concerto No. 5 in E Flat Major ("The Emperor").

A native of Portland, Me., where she attended Deering High School, Mrs. Elowe is a graduate of the New England Conservatory of Music, where she earned a Bachelor of Music Degree, and Syracuse University, where she was awarded a Master of Music degree. While at Syracuse she was a Teaching Fellow in the School of Visual and Performing Arts and was elected to Pi Kappa Lambda, an honor society.

Mrs. Elowe is currently a member of the faculty at Phillips Academy in Andover and the North Shore Community College in Hamilton.

She studied piano with Dora Zaslavsky in New York City, Frank Glazer of the Eastman School of Music at the University of Rochester, and most recently with Frederick Marvin, Artist-in-Residence at Syracuse University.

Mrs. Elowe was a soloist with the Boston Pops in its 1977 series. She has appeared as a guest artist with the Syracuse Symphony Orchestra and has played in numerous recitals in New England and New York, including concerts at Eisenhower Auditorium in Syracuse.

Mr. and Mrs. Elowe, who have lived in Andover since 1959, are former residents of Skaneateles, N.Y. They are the parents of five children, Arlene, a member of

Carol Elowe

Bowdoin's Class of 1977 who will be starting a four-year doctoral program in political theory at Yale this year; Kenneth, a graduating senior at Bowdoin; Lawrence a special student at Merrimack College in Andover; Brian, a freshman at Connecticut College; and Wayne, who will attend Phillips Andover Academy as a ninth grader.

The "Bowdoin Night at the Pops" program has for many years been one of the highlights of the College's annual Ivy Weekend, a traditional May period of student relaxation before final examinations. The concert also attracts Bowdoin graduates and their families from all corners of New England.

Gets Top Award

Merrimack College senior marketing major, Stephen J. Terroni of Chester, PA has been selected to receive the 1978 Hutchinson Memorial Award by the Boston Chapter of the American Marketing Association.

Terroni will be honored by the Boston Chapter of the American Marketing Association at their Awards Dinner on Wednesday evening, May 10th at the Sonesta Hotel in Cambridge, Mass. Each year, the Boston Chapter of the American Marketing Association honors the outstanding senior from each affiliated college and university in the Greater Boston area.

Library Friends Meeting

The Friends of Andover Memorial Hall Library will have their annual meeting May 11, at 7:30 p.m. in the staff room of the library. The voting members of the Friends will elect officers for the coming year. Refreshments and a social hour will follow the business meeting.

The purposes of the Friends of the Memorial Hall Library are: to purchase items for the library that are impossible within the regular budget, to sponsor special events of interest to the community, and to provide volunteer help for the library.

This past year the Friends have funded a Foreign Film Festival, purchased a slide/tape projector, furnished the children's room with rockers, renewed the Science Museum family pass and purchased a coffee maker.

Harry Ashton Crosby Forbes will present the final program of the Ladies Committee's Spring Lecture Series "Oriental Pleasures and Treasures" at the Essex Institute in

Salem on May 11 at 11 a.m.

His lecture will be followed by the traditional May Basket Lunch. Admission will be charged and reservations may be made by calling the Institute.

"They helped put me in my place."

"That's why, that's my bank."

When you're ready to buy a house you need all the help you can get. That's why Charlestown Savings offers you a choice of two types of residential mortgages: FIRM & FLOAT.

FIRM is a traditional mortgage with fixed rate of interest. It's ideal for those on a fixed income.

FLOAT has an initial interest rate below the FIRM that's guaranteed for one year and reviewed semi-annually. If you think interest rates will drop, or you're not planning to stay in your home for long... the FLOAT's the mortgage for you.

People want a bank that can help them do things. That's why more people say, "That's my bank."

Smith Now President Of Bank

The board of trustees of Lawrence Savings Bank has elected Dwain B. Smith of Andover, president of the bank.

Smith succeeds Roger Bower, LSB president since 1965. Smith joined LSB in 1976 as executive vice president, treasurer, a post he has held to date. Prior to joining LSB, Smith was executive vice president of Yankee Bank Corp., vice president of the First National Bank of Boston and, formerly, practiced law in Gloucester.

Smith is a graduate of Northeastern University and Boston University Law School. He is a member of the executive committee of the Lawrence Boys Club, and Lawrence Intown, a director of the Lawrence Chamber of Commerce, a member of the budget committee of the Merrimack Valley United Fund and a member of Men of Merrimack, the Guild of Bon Secours Hospital and the Guild of Lawrence General Hospital.

Secretary of Labor Ray Marshall has cautioned young people thinking of dropping out of school that a high school education has become the minimum standard of entry for almost all jobs.

E.J.H. Happenings

East gymnast David Frocione

By Lori Pinkney

"Evening in the Park" is this year's theme for the East Junior High School Open House. The annual event will be held in Central Park which is adjacent to East Junior High on the evening of May 17. In the event of rain the open house will be postponed until the evening of May 18.

The program will feature work exhibits of students in grades 7, 8 and 9 in such areas as art, poetry, science, math, physics, foreign language and all hobby clubs. Also to be included are demonstrations of clothing, crafts, woodworking and foods. Entertainment will be provided by members of the school band, chorus and glee club.

East is very proud of the boys gymnastic team which completed an undefeated season with a record of 5-0. Coached by Kenneth Maglio, members of the team included: Grade 9 — Phil Gregory, Dan Shea, Paul Reichert, Dave Frocione, Eric Teichert, Tom Billings, Dan Seiter, Jim Skillings, Adam Ackerman, Barry Mitchell, Kevin Joiner, David Markow; Grade 8 — Joe Zemis, Bernie Kavanah, David Ouelette, Dave Kirkland, Mike Flynn, Gary Coon, Jeff Olsen, Sean Norris, Hugh Meier, Joe Manning, Bill Depper, Ned Williams, Joe Ponti, Paul Oskar, Jounng Ho Kim, Geoff Reichert, Jim King, Brian Busta, Alex Gioia; Grade 7 — Todd Lawrie, John Siudut, Dan Igoe, Chip Gonsalves, Wayne Carver, Brett Larrabee.

Two hundred and twenty-eight students comprising 30 teams recently concluded a six-week volleyball league here at East.

Teams were formed from various homerooms. League winners were Grade 7 (Girls) Lisa Catalano, Judy Ascough, Liz Dowrick, Tammy Doyle, Lisa Aiello, Laura Grams, Julie Flaherty; (Boys) Fred Lemay, Bryan Looney, Mike Lucey, John O'Connor, Matt O'Hara, Jim Page, Mark Pelletier, Robert Reed, Paul Petrie; Grade 8 (Girls): Patty cGann, Monica McKinley, Sue Loranger, Amy Lander, Ellen Murphy, Kathy Kinsella; Grade 8: (Boys) Brian Moriarty, Ed L'Italian, Sean Norris, Jim King, Geoff Reichert, Ted McDonald, John Muldoon.

Grade champions for the annual table tennis tournament recently concluded were Grade 7: Tammy Doyle and John O'Connor; Grade 8: Emily Gerson, Gary Coon; Grade 9: Sue Tanner, Jeff Gerson. In the tournament of champions, eighth grader Gary Coon defeated Jeff Gerson for the 1978 school championship.

The 8th and 9th grade girls softball team began their season last week with a hard fought loss to Methuen with a score of 22-10. They came back, however, in their second game with a 24-17 win over Andover West Junior High!

East's athletes continued their winning ways as the girls track team defeated Billerica by a score of 78-22. Outstanding performances were turned in by Liz Farnham who won the high jump, long jump and 220, Amy Simpson who won the shot putt, 100 and placed second in the discus. Other winners were Jane Oskar in the 440, Cathie Batson in the 880, Ellen Flett in the mile and Cathy Clark in the discus.

Anniversary Program For ABC

The Andover A Better Chance program is celebrating its tenth anniversary on Friday evening, May 12, at the Andover Country Club. Special guests will include Mr. Tom Mikula, first director of public school ABC, and Mr. Jim Simmons, first director of National ABC. Returning alumni of the Andover ABC program and "surprise entertainment" will be part of the festivities.

In September, 1967, the ABC program first brought students into town to attend high school. During these last ten years, 43 students have graduated from Andover High School and gone on to four year

colleges.

The tenth anniversary celebration has been planned by Mrs. George Bixby, Mrs. S. Leonard Kent, Mrs. Donald Sagaser of Andover

and Mrs. Samuel S. Rogers of North Andover.

Contact Mrs. Donald Sagaser, 56 Chestnut Street, Andover, for further information.

Andover Craftsmen Represented

Memorial Park will be the site of the Third Annual Crafts in the Park Show scheduled for Saturday, May 13.

To date 170 craftsmen from seven states have registered to show and sell their handicrafts. Many favorite craftsmen from previous years are returning: George Nutz, the Glass Gypsy with his banjo; Gloria Goostray, the bird artist; Eleanor Perry, handpainted jerseys, and Sallian Proefrock with her fabric handbags.

There will also be many new items this year such as hammocks, kites, brooms, doll houses, puppets, Ukrainian eggs, and homegrown herbs.

Andover will be well represented by her own talented craftsmen: William and Faith O'Brian, woodworking; Joan Wilde, pottery; Marge Newton, toddler fashions; Daryl Arsenault, macrame wall hangings;

Barbara Bunn, fabric flowers; Glenda Schaake and Susan Pfeil, baby gifts and toys; Glenn Krabec, woodworking; Linda Berube, rock people; Gayle Caruso, weaving; Nancy Lydigsen, ceramics; Christine Farhadian, bread baskets; Bette Forma, driftwood arrangements; Yolanda Mendez, needlework; Patricia Kasper, stoneware pottery; Mary Shepard, calico items; Roch and Ted St. Germain, silver jewelry and The Front Porch with assorted crafts.

The show is hosted by the American Field Service and the Andover Recreation/Community Schools Department. Proceeds from the show will be used for scholarships for AFS, a high school foreign exchange program. Show hours are 10 a.m. to 4 p.m.

Flute Recital Sunday

Beth, who will graduate in June with a Bachelor of Music degree from Lowell, is the daughter of William and Helen Schneider, Highland Road, Andover. Her maternal grandparents, John and Helen Barrs also live in Andover on Torr Road.

The Kemper Chapel is in the lower level of the Cochran Chapel on Chapel Avenue on the Phillips campus. The concert is free to the public.

Beth Schneider, a senior at the University of Lowell will give a flute recital this Sunday, May 7 at Phillips Academy Sylvia Kemper Chapel beginning at 3 p.m. She will be assisted by Linda Lydecker and Janet Persson on flute, Linda DeRoche on french horn and Jeanne Porter, of Andover on piano. They will play works of Mozart, Fuerstenau, Hue, Boucard and Copland.

Miss Schneider, a 1974 Andover High graduate has been principal flutist with the University of Lowell Symphonic Band since 1977. She has done solo work with the Phillips Academy Band and Orchestra and has performed solo recitals in New Hampshire. She has both flute and recorder students in the Andover area.

Diabetes Bike-A-Thon Is May 21

A Kick-Off Meeting was held recently at the American Diabetes Association, New England Affiliate with the New England Bike-A-Thon Chairman, Tony Pepper and the Andover volunteer coordinators Mrs. Robert J. Pelrine and Miss Ruth Westcott. Tony Pepper, Newcaster for WBZ-TV, urges the local communities to support Mrs. Pelrine and Miss Westcott by volunteering to work, ride and sponsor this family ride on Sunday, May 21st to raise money for the ADA-NEA programs.

Andover High Notebook

By Renee Pruneau

On Friday, April 28 the sophomore class held a Disco Dance. The evening proved to be a great success. Disco music was played throughout the evening. Songs from "Saturday Night Fever" could be heard emanating from the cafeteria walls of A.H.S. A few notes probably seeped into the gym where a Hall of Fame dinner was being held. There were a few hectic moments before the dance started when it was wondered whether or not the D.J., who was half hour late, was going to come at all. When he did arrive it was evident that he was well worth the wait. Everyone who attended left with a smile on their face. A hearty thanks go to all who helped out with the dance, the chaperones, the poster maker, the people who sold refreshments and worked at the door, and those who made baked goods.

The Andover High choruses left early this morning for Washington D.C. On their way to our

nation's capitol they will be making stops to give concerts. One of these places is Haley, Penn. Another place where a concert will be held is a church, also in Penn. The chorus members will be spending one night with the

people of that town. The students will also be singing on the East steps of the Capitol Building. They will be returning late Sunday. We're sure that the chorus members will leave behind them many fond memories of the Andover High

Students and that they will sing up to their usual excellence.

May 26 is the date of the Andover High Prom. Posters line the hallways throughout the school reminding the males about their discount on tuxedos and showing that the date looms closer. The theme this year is that popular song, "A Time for Us."

The event is being held, as is usual, at the Andover Country Club. A nervousness can be felt throughout the school as junior and senior, as well as some sophomore students wait for that "special someone" to soon ask or hope that, that "special someone" won't turn him down. The evening promises to be a very

special one, as all proms are.

Newcomers To Install

Reservations for the annual installation of officers and luncheon of the Andover-North Andover Newcomers Club are due Friday with Glenda Wallace, 114 Coachman's Lane, North Andover.

The luncheon is scheduled for Tuesday, May 9 at 11:30 a.m. at the Lanam Club.

The last couple's activity for the year will be the Sunday Brunch at the New England Center, University of New Hampshire, Sunday, May 21. The bus will leave Shawsheen Plaza at 10:30 a.m. Further information is available from Julie Stratton.

Experts estimate that fully 50 percent of all blindness can be prevented, and that 90 percent of eye injuries are avoidable.

Robert L. Clark

To Head Banking Division

At the annual meeting of the board of directors and stockholders of Bay State National Bank, Robert L. Clark of Andover was elected a senior vice president. As such, Clark will be responsible for Bay States Banking Division and will oversee all activities relative to the banks branch system as well as its business development and marketing efforts.

Prior to joining Bay State National Bank in November 1975, as vice president of business development, Clark had been general manager of Continental Cablevision of Merrimack Valley. He has an extensive background in business and marketing, having previously served as general manager of Cablevision Corporation of America and Marketing Director of Becker Research Corporation of Boston.

When he was with the Cablevision industry, Clark served two terms as president of the New England Cable Television Association and chairman of the National Cable Television Association Legislative Committee for New England. In 1973 and 1974 he was the recipient of the New England Cable Television Association's Award for Outstanding Leadership.

As a resident of the Greater Lawrence area, Clark is active in community affairs. Currently, he is a vice president of the Greater Lawrence Chamber of Commerce and is a member of the board of directors of the Lawrence Intown Commission. In addition, he is on the board of directors of the Lawrence Home for the Aged and is a member of the Lawrence Rotary Club.

He is also chairman of the board of directors of the Christ Church Professional Nursery for the Handicapped and a member of the Vestry of Christ Church.

Clark is married to the former Ruth Weeks and they have two children, Merrilee, age 10 and Carrie, age 8.

Spectacle

Ducks, Geese, sandhill cranes and whooping cranes arriving along the Platte River Valley in Nebraska during Spring and Autumn form one of the nation's great wildlife spectacles. However, irrigation

wells, about 1,000 of them, are being drilled each month in the valley and the habitat will disappear in 30 years, Massachusetts Audubon tells us.

Bankers Visit Israel

Three local banking executives have just returned from a visit to Israel with a delegation of chief executive officers of Massachusetts Savings Bank.

Roger Bower, retired president of Lawrence Savings Bank; Robert Henderson, president of Andover Savings Bank; and Herbert Gray of Andover, president, Suffolk Franklin Savings Bank of Boston, met with Israel's Prime Minister Menachem Begin, Finance Minister Simha Erlich and other top government officials during their ten-day stay.

Bower, Henderson and Gray were among two dozen bankers who visited Israel under the auspices of the Greater Boston Israel Bond Organization, which takes part in the worldwide program to raise investment dollars for the internal development of the Middle Eastern democracy.

The bankers noted that Israeli banks are diversified to the point of being stockbrokers, investment counsellors, mutual fund operators, underwriters, insurance agencies, and heavy investors in major Israeli businesses . . . in addition to providing conventional savings, commercial and financing services. They pointed

out that Israel depends more on the services of commercial banks than any other nation. They explained that, on an international comparison of GNP to bank balances, Israel led the world with a rate of 1.8 while the United States ratio was .6.

Banking institutions in Israel, under the scrutiny and control of the Bank of Israel, number 64, operating more than 1,000 offices and branches, including 50 foreign offices and branches. The banking executives stated that "all banks in Israel are privately owned with the exception of the 5 banks in which the Israeli Government owns a majority of shares." They added that there are also four foreign-controlled banks operating in Israel.

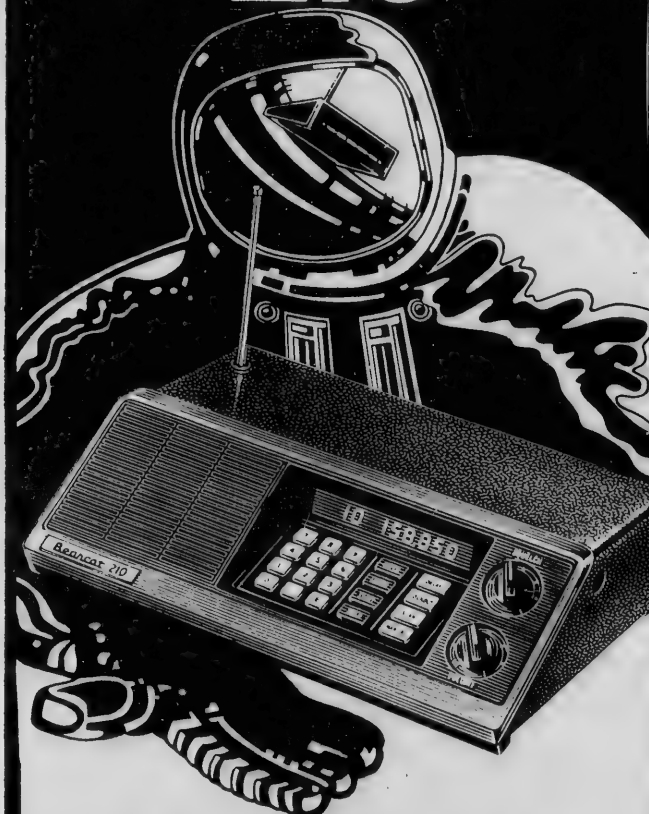

The Bay State bankers also remarked that Israel contends with an inflation rate of 30%-40% a year, but noted that the savings off Israeli citizens amounts to nearly a quarter of after-tax income.

During their stay in Israel, the Massachusetts banking executives attended meetings with the Economics Committee of the Parliament, Israeli business groups and a banking seminar conducted by the bank of Israel, in addition to their personal meetings with Israeli dignitaries and comprehensive tour of the country.

Banking Discussion

Local Banking Executives discuss the State of Israel's economic progress and problems and comparative banking practices in the United States and Israel with Finance Minister during recent trip to Israel, (left to right) Roger Bower, retired president, Lawrence Savings Bank; Herbert Gray of Andover, president of Suffolk Franklin Savings Bank of Boston; Israeli Finance Minister Simha Erlich; and Robert Henderson, president, Andover Savings Bank.

In Fashion Show At Museum

Fashions, flowers, and fine art are on the agenda at the (Boston) Museum of Fine Arts during the three-day "Art in Bloom" benefit, May 16-18.

Wearing the fashions of Saks Fifth Avenue and sharing the spotlight with TV celebrity Janet Langhart, first lady of the Commonwealth Kitty Dukakis, and Museum Directors Jan Fontein and Robert Casselman, will be Mrs. Robert French and Mrs. John McArdle of Andover.

They will participate in the informal fashion shows to be presented twice each day of "Art in Bloom." Museum visitors making reservations for the fashion luncheons will also be able to attend morning and afternoon lectures and demonstrations by art and horticultural

authorities. Co-chairmen of the fashion shows are Mrs. Paul Sonnabend, Lexington and Mrs. Charles E. Chute, Hingham.

The day-long agendas for "Art in Bloom" also include afternoon tea recitals, a children's event (Tuesday, May 16), and gallery talks by Museum staff members.

An evening gala on Wednesday, May 17, will give "Art in Bloom" guests the added bonus of a private viewing of the widely-acclaimed "Pompeii AD79" exhibition.

Guided walks through displays by the Boston Park and Recreation Department and Lexington Greens will also be given.

Mrs. William G. Berka, III

Hawley - Berka

At an 11 a.m. ceremony in Holy Trinity Church, West Harwich, April 22, Barbara Ann Hawley, daughter of Mr. and Mrs. Maurice Vincent Hawley, 374 North Main St., Andover and Depot Road, South Harwich, became the bride of William George Berka, III, Main St., Sandwich, son of Mrs. William George Berka, Jr., of Phillipsburgh, N.J. and the late William George Berka.

Rev. James Nickel, officiated.

Given in marriage by her father, the bride wore a gown of ivory satin and fashioned with an empire bodice of Alcon and satin venise lace, long tapered sleeves and high neck. The train terminated in a satin venise trim. The juliet cap was finished with a lattice edge. She carried a bouquet of baby's breath, and a colonial cluster of white sweetheart roses with a touch of lavender.

Katherine Marie Hawley, 374 North Main St., Andover, was maid of honor. Serving as bridesmaids were Elaine Lupa, of Methuen and Lisa Marie Hawley, 374

North Main St., Andover.

The attendants wore sky blue qiana gowns with matching short chiffon capes and carried bouquets of clustered mixed lavender and white flowers and wore matching fresh flowers in their hair.

Dennis Hanson of Merrimac, N.H. served as best man and ushering guests were Steven Tanner, Forestdale, Mass. and Christopher Charles Hawley, 374 North Main St., Andover.

For her daughter's wedding, Mrs. Hawley chose a sea foam qiana gown with long sleeves and bugle beading at the neck and wrists. Mrs. Berka, Jr., wore a dusty rose qiana gown with long sleeves and softly draped collar.

Following a reception at the Wychmere Harbor Club, Harwichport, the couple left on a wedding trip to Martinique.

The bride is a graduate of Rivier College, Nashua, N.H.

Public Relations Executive Dies

Frank J. McArdle

Frank J. McArdle, 5 Kensington St., Andover, a public relations executive, died at Lawrence General Hospital after a short illness. He was a member of a prominent Lowell family, and had lived in Andover for the past 30 years.

A 1932 graduate of Georgetown University, Washington D.C., Mr. McArdle also attended and graduated from Georgetown Preparatory School, Rockville, Md.

He was employed as a public relations

manager for American Machine and Foundry Company's electronic division, Boston. He was also director of public relations for the world-wide Avis Rent-a-Car system. Other companies he represented were Holtzer-Cabot Inc., John C. Dowd Advertising Agency, Niles Real Estate, and Cabot, Cabot and Forbes, all of Boston. He was president of McArdle Associates of Andover.

He was a member of the Vesper Country Club of Tyngsboro for the past 35 years, and of the Lanam Club of Andover for the past 20 years. He was also a member of the Georgetown Club of Boston and New York, the University Club of Boston, and the Advertising Club of Boston. He was a member of the Massachusetts and the National Industrial Editors. Mr. McArdle was also a member of the Tewksbury Rotary Club.

He is survived by his wife, Miriam (Sweeney) McArdle, and several cousins.

The funeral will be held from his home Friday morning, and will be followed by a funeral mass offered at St. Augustine's Church at 9:30 a.m. Burial will be in St. Patrick's Cemetery, Lowell.

Friends may call at his residence Wednesday evening from 7 to 9 and Thursday from 2 to 4 and 7 to 9 p.m.

Arrangements are being handled by the McDonald Funeral Service, 19 Yale Ave., Wakefield.

ALEXANDER GIBSON

Services are scheduled Friday, May 5, at 2 p.m. in the First Congregational Church of McIndoe Falls, Vermont, for Alexander Dunnett Gibson, 76, a teacher of French at Phillips Academy, Andover, Mass., for 22 years who died suddenly, May 1, at his home. Born in Lisbon, New Hampshire, Oct. 6, 1901, he attended McIndoes Academy and Mt. Hermon School, Middlebury College and Dartmouth, where he received his A.B. in 1924. He earned his A.M. at Columbia then spent a year abroad studying at the University of Toulouse, where he received his Certificat, and studied one summer at the Sorbonne in Paris before World War II.

In 1929 he was married to May Bess Huberich of Austin, Texas, and taught French for 45 years at various schools: Burlington (Vermont) High School, Horace Mann, Penn Charter, Mt. Hermon, North Hampton School's summer school in French and Phillips Academy, Andover, where he taught until his retirement in 1967. After a final year of teaching at Craftsbury School in Vermont, he and his wife retired permanently to his boyhood home in McIndoe Falls.

As a French teacher he held many offices in the Modern Language Association in the New England area and was former President of the Boston chapter of the American Association of Teachers of French. In 1962 he was awarded the decoration of Chevalier dans l'Ordre des Palmes Academiques for his service to France. His publications include two widely used high school texts, "Causeries" and "Anthologie" and, more recently, a history of McIndoes Academy. Just before his death he completed the revision of Guy Coolidge's monograph on "The French Occupation of the Champlain Valley, 1609-1759." In addition to his academic interests he was chairman of the Andover Republican Committee for some years, and an avid gardener. An active alumnus-supporter of Mt. Hermon and Dartmouth, he participated even after retirement in Phillips Academy affairs as author of the Faculty Emeriti column.

Besides his widow he leaves two children: Barbra Gibson Roth of Weston, Conn., and Alexander D., Jr. (Sandy) of Andover, and seven grandchildren. Friday's service will be held at the First Congregational Church in McIndoe Falls. A memorial service will be planned later at Phillips Academy.

Contributions may be made to the McIndoes Branch Library or the McIndoes Fire District.

Magazine Drive

The Junior Class of Andover High School
has announced that magazines sold during
their magazine drive should be reaching
their subscribers within the next six
weeks.

The drive was conducted during the last
week of February and the first week of
March. The magazine company in Penn-
sylvania received all of the subscriptions
on March 27. The magazines take six to
twelve weeks from that time to be
delivered. Anyone seeking further infor-
mation about their magazines should con-
tact the school.

Musical Inspection

While Alan Minkinen directs the Shawsheen school band, students at St. Robert's Country Day school inspect the instruments. From left, Brian Walsh, Kelly Miskell and Kellie Morrison.

Concert At St. Robert's

The students at St. Robert's Country Day School, located on Haggetts Pond Road, West Andover, were recently treated to a concert at their school by Andover's Shawsheen School band, under the direction of Alan Minkinen.

During the last portion of the concert, the nursery students were invited to closely inspect each of the instruments while it was being played and then at the end of the concert were able to try the instruments themselves. Both Shawsheen and St. Robert's student enjoyed one teaching-learning experience.

During the next few weeks, St. Robert's has a busy program scheduled. At the annual Parent's Board Meeting, Dr. Mary Jo Camillus will speak on "Child Development and Early School Experiences." Dr. Camillus is a well-known local psychologist. The Parents' Board for next year will also be presented at the May 25 meeting.

The students are looking forward to their spring field trip, this year, to Boston and towards the end of May the school will be holding an International Week. The children will learn about several countries by sampling exotic foods, participating in country folk dances, hearing the lore en-

joyed by children and mothers from other countries and dressing in the costumes worn by them. Friends and parents of St. Robert's pupils will give the various demonstrations for International Week.

For information concerning registration for next September, contact registrar, Mrs. Luke McSorley, 153 Deering Drive, Tewksbury.

The Public Health Committee brings to the attention of the members of AMWA problems and concerns in the areas of public health, community medicine, preventive medicine and ecology. The committee also acts as liaison between AMWA and official and voluntary agencies actively engaged in the fields of health and welfare.

Dr. Matzner, a native of Poland, received her M.D. degree and completed her internship at the Medical Academy, Gdansk, Poland. She also had residencies in internal medicine and pediatric infectious diseases at the Urbanowicz and Mielecki Hospitals, Poland. Prior to coming the U.S., Dr. Matzner maintained a practice in Poland for a few years.

In the U.S., she served an internship at St. Joseph's Hospital, Lowell, and a residency in radiology at the VA Hospital, Boston.

Presently, she is a chief radiologist at the Saugus Hospital, Saugus and Mt. Pleasant Hospital, Lynn, as well as a staff

member at the New England Medical Center.

Dr. Matzner is married to Joseph Matzner, a businessman. They have one child, Karen Helene, who is presently in the eighth grade.

Commended At College

Richard Garafalo of Andover, is the recipient of a Faculty Commendation Award, Dr. Frederick Forsgard, Academic Dean of Daniel Webster College announced today.

The commendation is awarded annually to selected seniors in recognition of outstanding accomplishment reflecting the highest standards of personal dedication, student leadership, and contribution to the college.

A candidate for an Associate of Science degree in Customer Service, Mr. Garafalo is the son of Mr. and Mrs. Nicholas Garafalo of 6 Moreland St., Andover.

Portraits

Roberta Carter Clark will demonstrate for the Reading Art Association on Wednesday, May 10, at 8 p.m. in the Reading Community Center on Sanborn Street.

Roberta has painted portraits professionally for over 25 years and still feels that the human face is the most magnificent object there is, both to see and to paint.

The public is invited to attend this oil demonstration. A small guest fee is charged.

At the present rate of clearing and destruction the Amazon's 1.5 million square miles of forest will have disappeared in about 45 years, Massachusetts Audubon reports. Each

year 40,000 square miles for farming, timber and are cleared to open up land other forest products.

PHONE-OR-CHECK LETS YOUR FINGERS DO THE PAYING.

Tired of writing check after check, month after month? Well, now there's Phone-or-Check... the bill paying service that lets you pay retailers, oil companies, utilities, credit card companies, banks, virtually everyone, by making just one phone call. Check it out!

THE ADVANTAGES OF PHONE-OR-CHECK

	YES	NO	
1 Does Phone-or-Check send you a simple, complete monthly record of who and how much you've paid?	✓		Each and every month.
2 Does Phone-or-Check cost you anything to use?		✓	Absolutely not. While other telephone bill paying services may charge you for each bill you pay, Phone-or-Check is totally free of any charges, including the phone call.
3 Does Phone-or-Check give you a choice of paying your bills by making one phone call or by writing a single monthly Supercheck?	✓		Unlike similar services, Phone-or-Check provides this convenient option because some people simply don't feel comfortable with the idea of paying their bills by telephone.
4 Does Phone-or-Check allow you to change your bill paying instructions?	✓		Quickly and easily.
5 Does Phone-or-Check save postage charges?	✓		At 13¢ a bill, the savings are considerable.
6 Is Phone-or-Check quicker, easier, and safer than writing individual checks?	✓		Once you try Phone-or-Check, you'll wonder how you ever got along without it before.
7 Was Phone-or-Check the first service of its kind in Massachusetts?	✓		Essex Broadway introduced Phone-or-Check approximately six months before other banks offered similar services.

Phone-or-Check is the most convenient, economical bill paying service available. And only Essex Broadway has it. So come into any of our seven handy offices and sign up. After all, you've got better things to do than write checks.

The Language of Flowers

by Gerry Trull

The container used to present your cut flowers can do much to add to or subtract from the attractiveness of your arrangement. It is necessary that the container be the proper size and shape. A short squat container will do little to accentuate the grace of long stemmed flowers. On the other hand, if you want to show off just the flowers, simply float them in an attractive and suitably sized bowl. Ask your florist if you are not sure what kind of vase would be best.

We at **TRULL'S MILL HILL FLOWER CENTER**, 411 River Rd., 851-6161, your florist for over 25 years, will be happy to advise you with all your floral needs, and for those special occasions when you want especially attractive arrangements created just for you, we are at your service. Remember Mother on Mother's Day with her favorite flowers; we can deliver almost anywhere in the world. Hours: 9-5:30 Mon-Sat.

AHS Band Marches With Mickey

Laurie Babineau leads Warrior Band down Main Street, USA.

Judy Girard enjoys one of the Disneyland rides.

By Dana Rosengard

You haven't lived until you have experienced a 28 hour bus ride from Andover to Orlando, Florida with 91 band members, 14 color guards, 13 dancing Indians, and 15 lucky (?) chaperones. Of course we stopped at a few main attractions on our way south to brush our teeth again. Hasn't everyone been to Fayetteville, North Carolina?

At the end of our little hike the water supply at the Orlando Hilton West Motel went from full to below sea level as 133 tired and grungy northerners headed for the showers.

In a mere hour and a half we were all

back on our home away from home (the bus) and on the way to Mickey Mouse's home, Walt Disney World. It was shorts, white legs, cameras and smiles as Andover invaded the Magic Kingdom. As expected, Space Mountain, was by far the most popular attraction.

Back at the motel it was pizza, swimming, and cramps for the elite. Finally! it was mattresses! — a coveted luxury by

this time.

The next day, I think it was Saturday, we spent all day at Disney World, 14 hours anyway. There were various independent side trips to the Polynesian Village and the Contemporary Resort Hotel. Activities ranged from "catching the rays" (sunbathing; "How obnewish!"), to waiting in line to see "The Country Bear Jamboree," to sailing on the lagoon, to waiting in line to see "The Hall of Presidents." At 9 p.m. the band did their thing, as they paraded down Main Street, USA to the delight of their largest audience. Several

hometown people cheered just a bit louder, including Dr. and Mrs. Richard O'Hara and family and Mr. and Mrs. Craig Anderson. As the clock struck twelve and the last monorail left the Magic Kingdom, it was back to the Hilton we went.

Bright and early Sunday morning, but after optional church services, it was time to truck to Sea World. An encounter with an in-progress Van convoy seemed to pass this relatively short ride even quicker. Shamu was no less than delighted to see us

\$10 Million

Yearly, Mass/chusetts spends about \$10 million on trees for cities. Because of city conditions (hot pavements, too much or too little sun and water) city trees often adopt the growth patterns of desert trees: small new leaves, short new growth, thickening of bark and stems and a large seed production.

all. Our next stop was New Smyrna Beach, where the sun was shining, the frisbees were flying, the waves were rolling, and the T-shirts were selling.

That night back at the Hilton we hit the disco. You have never seen so many bodies moving so many different ways! It was fun, as was our short swim after.

Monday, we visited the real "Clown Town," The Barnum and Bailey and Wrangling Brother's Circus World. The loop roller coaster frightened away a lot of people but then a few of us rode it three or more times. The most popular event of this stop was definitely the Participation Circus in which the high school band was very well represented. Dana Rosengard and Bob McKinley went up on the trapeze, while Melanie Hayes did her thing on the high wire. It was quite the experience!

After a short stop at the Orange Ring, where we bought fresh citrus fruits, last

minute souvenirs, and more t-shirts, we headed for home, and the cold weather.

We finally pulled in at 11:30 p.m., Tuesday night, tired, sunburned and loaded with more luggage than we departed with.

We would like to thank our brave chaperones; Mr. and Mrs. Alfio Graceffa, Mr. and Mrs. Myles Reilly, Mr. and Mrs. Frank Raymond, Mr. and Mrs. Robert McKinley, Mrs. William Denoncourt and Jimmy, Mr. and Mrs. Edward Grigoli, David Reilly, and Miss Lee Shionis.

Bluebirds

Bluebirds compete unsuccessfully with starlings for nesting sites in dead trees. A trail of 7,000 starling-proof nesting boxes, on fence posts or poles, runs 2,000 miles between two towns in Manitoba and Saskatchewan, Massachusetts Audubon notes. Robert M. Calder

Named Outstanding Alumnus

Captain Robert M. Calder, a 1943 Deck Graduate of the Maine Maritime Academy was the recipient of the 1978 Alumni Association, "Outstanding Alumni Award," at Graduation Exercises at Castine, Saturday, April 29.

The Award is presented each year to a graduate of the Academy who has distinguished himself, the Academy and the Alumni Association in the U.S. Merchant Marine, the Armed Forces of the United States or related Marine Industry.

Captain Calder, a native of Melrose, is a Graduate of the First Class from Maine Maritime Academy. He now resides in Andover, and is currently Executive Direc-

tor of the Boston Shipping Association, Inc.

A Master Mariner, Captain Calder received several citations and awards for service in World War II, including the U.S. Maritime Commission Meritorious Service Medal for action beyond the call of duty at Normandy Beachhead Invasion. He received a commendation for participation in the Invasion of Tarawa, Gilbert Islands.

He served as Commanding Officer aboard vessels with the United Fruit Company, later serving in managerial positions with that company in the Port of Baltimore and the Port of New Orleans. He has held several positions with the National Propeller Club, as well as having served as President of the Propeller Club, Port of Boston and Port of Baltimore, and former Executive Vice President of the Propeller Club, Port of New Orleans.

Captain Calder is married to the former Joanne Mitchell of Baltimore, and they have two children Anne and Robert.

Meat Meets Amino Needs

The human adult body needs eight amino acids from foods to maintain proper health and nutrition, and these amino acids must be eaten at one sitting. Lean red meat is a complete source of all the essential amino acids, unlike other food sources which contain them in varying amounts, points out the National Live Stock and Meat Board. Meat also provides substantial quantities of the Recommended Daily Allowances for various B vitamins, iron and zinc, phosphorus and potassium, and essential micronutrients. One 3.5 ounce (100 grams) serving of liver will fulfill the body's vitamin A requirements for an entire week.

Pollution Level

Exporting pollution has been charged against transnational companies. High sulphur oil is being refined in the Caribbean area (Venezuela, Trinidad, Tobago and Aruba) because the U. S. prohibits the level of air pollution caused by refining oil, Massachusetts Audubon notes.

Clark Viewing Makeup Of School Building Group

Implementation of the decision of voters at last week's town meeting to go forward with secondary school construction was underway this week.

Town Manager Jared S. A. Clark said he was in the process of setting up a meeting with Supt. of Schools Kenneth R. Seifert and the school committee to review qualifications they might want to consider in the appointment of a school building committee.

Clark said his thinking at this point is in the naming of a nine member committee.

Voters last Thursday night, at the final session of the annual town meeting approved providing \$720,000 in planning funds for the estimated \$10 million project which would provide for renovations and additional classrooms at East Junior High, renovations at West Junior and Andover high schools and construction of a 2,000 seat auditorium.

The vote was 459-220, just 19 votes more than the two-thirds required in a second tally when an initial vote of 452-221 was called for a recount.

Prior to the vote, there had been considerable debate on the subject, with school officials pointing to the need for renovations at East to update the building to meet modern educational needs.

Also, the auditorium and some renovation at the high school was argued as being needed to meet the needs there for special class activities. The auditorium was dropped from the plans when the school was built over a decade ago, in order to keep costs within a certain figure.

Francis Griggs, former school committeeman, argued that the East Junior high work was justified, but felt the other work was unnecessary.

He accused the school committee of tying the auditorium and work at West and the high school to the East Junior high proposal in order to win approval.

Griggs moved to amend the article to provide only \$300,000 for the East Junior High work, but it was defeated.

Town Manager Clark, who has the responsibility of new construction under terms of the charter, said Wednesday his plan would be to appoint a nine-member committee with a core committee of seven. The two additional members would include Al Hart, plant maintenance engineer for the school department. "He will have to live with and maintain the new buildings, so it is logical he should have input from the start."

The second member, Clark said would represent "consumer" standpoint, and probably be a student of the junior or senior class at the high school.

The manager said he would be discussing with the school department other representation which should probably have committee input, such as the handicapped and what type of other minority representation should be considered.

There should be some expertise in the field of construction on the committee Clark said.

He emphasized that it is his intent to involve the committee "from day one of the project — involved in the architect and engineer selection as well as the planning and construction phases.

"My own role will be to provide for their appointment and give general supervision. I will be a strong, active participant if it is desired by the committee, but I would prefer it to be more an active rather than a central figure in the planning process."

Soil Analysis Method Would Replace Perc Test

A proposal which would alter the testing process preceding septic tank installation will be proposed to the board of health and selectmen by Town Manager Jared S. A. Clark.

"The plan is a consideration of doing away with the present percolation standard as criteria for subsurface sanitation systems and replacing it with a solid analysis method," Clark reports.

The solid analysis method determines the inherent capabilities of native soil to absorb drainage from septic systems and utilize factors such as high water tables.

Clark said the system had been used in Maine for the past four years and in that time the septic system failure rate is about one per cent.

"If the selectmen and health board members agree that they feel this is a plausible alternative, I will appoint a committee to determine if it is an acceptable alternative to our present septic system code," Clark said.

He indicated he would attempt to get one or two committee members from "the industry," in order to aim at some general concurrence on the method.

Clark said the present testing method (percolation tests) is an expensive and time consuming process. He feels that the soil analysis testing can result in providing sanctions for installation which are as stringent, but much less hassle.

The manager feels that this proposal, along with new policies relative to tie-ins to the sewer system, are pursuant to a general concern which the selectmen have had for some time in developing a growth management policy.

"Growth should come at the least expense to the town over a period of time and can be accommodated through proper water and sewer line installation and roadways development," Clark said.

"Inferior septic system installation can be avoided by determining the ability of native soils to receive subsurface drainage," he noted adding that proper regulations and proper inspections can permit development to occur without future liability, to the community.

A summary of action taken on all articles acted upon at the regular and special town meetings:

ARTICLE 1 — Town election.

ARTICLE 2 — Elected John Murray trustee Cornell Fund.

ARTICLE 3 — Established salaries of selectmen and moderator.

ARTICLE 4 — Established municipal operating budget.

ARTICLE 5 — Approved Dog Leash Law.

ARTICLE 6 — approved — To allow town officials to borrow money if necessary in anticipation of revenues.

ARTICLE 7 — approved — permit town officials to use state funds for the repair of the town's roads.

ARTICLE 8 — approved — permit town officials to apply for and contract with the federal or state governments for federal or state funds.

ARTICLE 9 — approved — To lay or relay water mains in the Shawsheen Village area. Appropriate \$210,000 and affect only William Street, Kenilworth Street and Riverina Road.

ARTICLE 10 — withdrawn — To publish the town report 90 days after the end of the fiscal year.

ARTICLE 11 — withdrawn — Reconstruction of the Ballardvale Railroad crossing.

ARTICLE 12 — withdrawn -- Discontinue as public ways parts of Rocky Hill Road, Sunset Rock Road, Tucker Road, and Wood Hill Road.

ARTICLE 13 — approved, 325-183 — To instruct the town's representatives in the state legislature that Andover voters feel communities shouldn't be forced by the state to join regional groups which incur a financial obligation. The article added that the voters are also against the practice of issuing State or Federal aid only to communities in a regional group.

ARTICLE 14 — withdrawn — To spend \$5,000 to supplement employee benefits for the current fiscal year.

ARTICLE 15 — approved — To appropriate \$2,500 on a dollar-for-dollar matching basis for a seasonal lighting program with the Andover Center Merchants.

ARTICLE 16 — approved — To authorize the Finance Committee to mail its town meeting report to every household in Andover at least 10 days before the first scheduled business session of a regular town meeting. The deadline is seven days in the case of a special town meeting.

ARTICLE 17 — approved, 511-10 — \$300,000 to install screens protecting the intake at the Fish Brook Pumping Station. The money will also be used to install a ventilation system for the pumps and a housing for the screens.

ARTICLE 18 — approved — \$58,000 to remove architectural barriers. The money was found in a veterans' rehabilitation account left over from World War II.

ARTICLE 19 — approved — Authorize town officials to ask the legislature to pass an act allowing the town to draw water from the Merrimack River.

ARTICLE 20 — approved — To institute a bylaw regulating the use of recreational motor vehicles — including mini-bikes, go-carts, motor scooters, snowmobiles, and dune buggies — from operating on privately-owned land without the written consent of the land's owner and occupant. No written consent is necessary when on the grounds of private clubs which permit the use of such vehicles on their property. They also cannot be used on any town owned property, from streets to parks. The vehicles cannot be used before 9 a.m. or after 7 p.m. or sundown, whichever occurs first. Golf carts are exempted from the bylaw, according to Town Counsel Alfred L. Daniels.

ARTICLE 21 — approved — To authorize town officials to join the

Merrimack Valley Regional Transit Authority on the condition that a satisfactory contract between the town and the authority can be reached. The authority provides local bus service between its member communities.

ARTICLE 22 — withdrawn — Negotiate a contract with the Trombly Motor Coach Service, Inc., to provide local bus service.

ARTICLE 23 — not acted upon — Selectmen had decided not to "lay out" Crescent Drive before town meeting.

ARTICLE 24 — withdrawn — To have the town conduct an annual appraisal of its financial books.

ARTICLE 25 — passed — To have the town manager appoint a committee to study tax reform and relief for the town's senior citizens.

ARTICLE 26 — not acted upon — Article involved accepting Castle Heights Road. Not acted upon for the same reasons as article 23.

ARTICLE 27 — approved, 3385-47 — To authorize the town to appropriate \$100 for the acquisition of Castle Heights Road.

ARTICLE 28 — no action taken — Joyce Terrace, for the same reasons as article 23.

ARTICLE 29 — approved, 328-29 — Concerns Joyce Terrace, same action as that in article 27.

ARTICLE 30 — approved, 255-107 — To accept a flood hazard district outlined by the federal government. Included in the district is land along the Shawsheen River.

ARTICLE 31 — defeated — A bylaw proposal to allow nine or more persons to have debate continue on a town meeting article if a move is made to shut off debate during the 30 minutes after the article is moved and seconded.

Special Town Meeting

ARTICLE 1 — approved — To pay 65 percent rather than 50 percent of the Blue Cross/Blue Shield health insurance offered to town employees.

ARTICLE 2 — approved — To create an "Industrial Development Financing Authority" that would help attract and keep industry in Andover by offering business the chance to finance construction with industrial revenue bonds.

ARTICLE 3 — approved — \$50,000 to make repairs at the Fish Brook Pumping Station of damage that occurred last winter.

ARTICLE 4 — approved — Transfer \$64,800 to pay the remainder of this year's insurance policy.

ARTICLE 5 — approved — To change the wording of a 1973 town meeting decision to allow the drawing of plans for an addition to the rear of the Memorial Hall Library.

ARTICLE 6 — approved — To set up regulations for the use of the town's compensation fund.

ARTICLE 7 — approved — To authorize town officials to ask the state legislature to exempt six Department of Public Works positions from the Civil Service laws.

ARTICLE 8 — approved — To spend \$7,000 to supplement an appropriation at the fall town meeting for the Riverina Road pumping station and outfall sewer.

ARTICLE 41 — defeated, 200-122 (needed 2/3 vote to pass) — To amend the town's zoning bylaws to include: maximum coverage of lot land; the number of parking spaces allotted several types of establishments and a set of design requirements for the bylaws.

ARTICLE 42 — approved -- Accept LaMancha Way.

ARTICLE 43 — withdrawn — To spend \$90,000 to remodel Town Hall.

ARTICLE 44 — approved — Accept Granada Way.

ARTICLE 45 — approved, 341-11 -- To spend \$50,000 to install storm drains.

ARTICLE 46 — approved, 204-16 — To amend the town's zoning bylaws to insert a set of suggested guidelines to the town's merchants regarding the size and design of signs.

ARTICLE 47 — approved — To grant Dudley and Elizabeth Millikin of Holt

Road an easement to pass over town-owned land to reach their home.

ARTICLE 48 — Spend \$50,000 to make repairs to the Department of Public Works facilities on Lewis Str-et.

ARTICLE 49 — withdrawn — Spend \$100,000 for the purchase and installation of water meters.

ARTICLE 50 — approved — \$15,000 to improve the dirt road leading into the Andover Recreation Park from Abbot Street.

ARTICLE 51 — approved — Spend up to \$6,000 to pay unpaid bills from past years.

ARTICLE 52 — withdrawn — Authorize purchase of land.

ARTICLE 53 — Approved — A series of procedural and wording changes to make Andover's zoning bylaws comply with state law.

ARTICLE 54 — defeated, 339-356 — To revalue the town's property.

ARTICLE 55 — withdrawn — To set down regulations for the use of the town's compensation fund.

ARTICLE 56 — approved — Unexpended appropriations totaling \$78,480 placed in free cash account.

Bike-A-Thon

The annual Andover Education Association Bike-A-Thon benefit was held Sunday, with an enthusiastic response. Top photo, Heidi Domingue, Cara LaFond and Alyssa McCabe set on the lengthy trek; middle photo, David Berteth makes some last minute adjustments for son Scott and in bottom photo, Jeff Palmquist and Louise Rozzi, physical education teacher get information from Iona Alexander.

Concern For Downtown

For some time now we have been witnessing a gradual deterioration in downtown Andover, and must now become somewhat concerned.

The deterioration is not so much physical, as it is the loss of businesses which were Andover in nature and exemplified a friendly atmosphere for shoppers.

The closing of Hartigan's pharmacy, emblematic of the demise of the corner drug store, along with a shoe store on Barnard street, an ice cream shop on the same street, are among the more recent business which have left the Central Business District (CBD).

The Dame Shop on Main street is another victim of whatever it is that is causing the demise of downtown. Expansion of a national pharmaceutical operation could further effect the business area.

In the past few years an established clothing store and a sports shop went out of business.

It is for these reasons that we express concern, with some emphasis on a desire to see things turned around soon. We do not feel, by any stretch of the imagination, that any obituaries need be written for downtown Andover.

Downtown has been the subject of innumerable studies by various groups and consultants. The latest, done by Herr Associates, and presented at a dinner meeting of the Chamber of Commerce, was hailed at the time as the salvation of the Central Business District.

But, little action seems to have been forthcoming with the exception of some effort this past year to develop a sign bylaw for downtown businesses.

Quite frankly, sign regulations would be far from a priority item for planners or study groups, in view of the fact that lack of business places precludes the need for any signs.

Andover's planning board admittedly has a healthy work schedule, but we might suggest that shifting of priorities might be in order in an effort to get the CBD activity rolling and get downtown healthy.

Downtown should be described as roughly the area from Olde Andover Village to Elm Square and the immediate environs.

Over a decade ago, an urban renewal program proposed for the area was rejected by Andover residents based on a contention that did not need federal or state assistance to make business district and municipal improvements.

Some effort was made by businessmen to improve the downtown area, in the years that followed.

In recent years a TOPICS program to improve traffic flow and parking in the downtown area has failed to get moving due to substantial disagreement on the ultimate plan among municipal and business leaders.

With such thoughts in mind, might we suggest that some concerted effort be initiated soon toward providing a more healthy climate for the downtown area, possibly under the guidance of the selectmen and town manager.

There are Central Business District Study committees, Center Merchants group and Chamber of Commerce representatives to assist in such an effort.

We might also suggest including the Industrial Development Commission in on the project with assignment to attempt to obtain some business interests in locating in the downtown area.

Our concern is based on the firm contention that downtown Andover has always been a pleasant place to shop — customers being greeted and assisted by friends and neighbors — and the hope that this atmosphere can be continued and enhanced.

Down The Years With The Townsman

75 Years Ago — May, 1903

Last Friday evening the members of Rogers Brook Tennis club held a very enjoyable social evening at the home of Miss Abbot on Chestnut Street. Officers for the year were chosen and M.E. Gutterson will serve as president.

According to the report of Manager W. W. Grant of the Andover football team, the receipts for the past season were \$6,042.95 and the expenses were \$4,042.83, leaving a balance of \$2,000.12 with which to begin the new season.

The Haverhill-Andover street railway is apparently out of operation for additional time, since the town of North Andover upheld the decision of the selectmen in revoking the license. The action was taken Monday at a special town meeting.

The ceremony of blessing the new bell of the South church will take place Sunday morning at ten o'clock. The ceremonies will be at the church door, unless rain forces the festivities into the vestibule.

Several automobile parties from Lowell have taken dinner at the Phillips Inn during the past week. The inn is getting to be popular terminus for the auto-journeys of

Lowell and Malden people.

50 Years Ago — May, 1928

The school committee has named three of its members, Eunice M. Weeks, Ernest A. Johnson and Mrs. E.V. French to look into the problem of a new junior high school.

Four-year-old transplants of red and white pine, numbering approximately 4,000 have been planted in Indian Ridge Reservation and Carmel Woods under the direction of Tree Warden E. Burke.

Charles T. Gilliard was elected superintendent of public works by the board this week, to succeed the late Frank L. Cole. Edward R. Lawson was named assistant superintendent. Both are long time employees of the board.

A meeting of the Shawsheen Lawn Bowling Association will be held this Sunday to go over plans for the season. Men of the community have been working on the greens for the past few weeks and the fields are shaping up nicely.

The number of books issued for home use from Memorial Hall library during April was 4,658. A year ago the figure was

4,016. At Ballardvale, the branch library shows an increase in useage by 20 per cent.

25 Years Ago — May, 1953

Edward I. Erickson, formerly superintendent of schools here, now serving in Methuen, was elected to the top school administrative post by the school committee this week. Also elected at the same meeting was Robert B. McIntyre to be head football coach.

Thomas F. Kelley of High Plain road was sworn in this week as director of the division of industrial safety by Governor Herter.

Selectmen Monday night awarded a contract to supply fuel oil to the town to Howe Heating on its low bid of \$3.22 per 42 gallon barrel.

There was a considerable upsurge in new construction in April when Inspector Ralph W. Coleman issued permits for new homes totalling \$309,650.

Montville E. Peck has been appointed director of athletics at Phillips Academy. He has been in the department since his appointment in 1916.

Multi-Media Program

Memorial Hall Library will present Ilse Schenk and her multi-media program Design for Life on Wednesday May 10 at 7:30 p.m. Design for Life is meant to heighten your awareness of the world around you. Ms. Schenk, a sculptor, industrial designer and teacher, has put together a media event of sound tapes, slides and films which will explore the universality of life. The public is invited to participate in this unusual program.

Artist Of The Month

The paintings of Lexington artist, Norma Regillo, are on display at the Library

during the month of May. A graduate of the Vesper George School of Art, Mrs. Regillo also studied at the Museum School. She is presently an art teacher in the Lexington schools. Her watercolors display many aspects of everyday life, from seascapes to still life and animals. Her work has been widely exhibited and has won many prizes and citations.

Children's Room News by Ruth Hooten

There are only two Films on Fridays left! On May 5 the program will be "Caps for Sale," "The Camel Who Took a Walk," and "Bear Trouble." On May 12 we will be showing the films "Madeline and the Gypsy," "Blueberries for Sal," and "Little Rooster who made the Sun Rise."

Defense Dept. Wages Bitter Battle Vs. Servicemen's Drug Addiction

WASHINGTON — There were more American casualties from heroin than from gunfire in Vietnam. The deadly white powder was both cheap and available and thousands of GIs, seeking to escape the horrors of the war, became hooked on heroin.

The Pentagon brass thought the problem would diminish after the Vietnam War. But drug abuse has remained at the Vietnam level in the armed services. Only desperate, anti-drug efforts by the Defense Department have kept addiction from reaching epidemic proportions.

Americans troops in Europe have a ready supply of heroin, cocaine and marijuana, which are smuggled into U.S. military bases from Asia and the Middle East. NATO commander, Gen. Alexander Haig, is so worried that he has met privately with White House drug experts to discuss this alarming upsurge of heroin trafficking in the armed forces. President Carter's drug adviser Dr. Peter Bourne has written an urgent, private letter to Defense Secretary Harold Brown about the problem.

Military experts fear that the drug epidemic may hurt the Army's military preparedness. They are haunted by the spectre of our radar screens and weapons systems manned by soldiers spaced-out on drugs.

The Navy has also been weakened by drug usage. The men aboard the carrier Midway were recently tested and an alarming 20 percent were found to have used opiates.

Dr. Bourne wants Con-

gress to authorize random medical checks of military personnel for traces of drugs. He believes this would be the most effective way of combatting drug addiction in the armed forces.

Prison Conditions: The Constitution guarantees that Americans cannot be subjected to "cruel and unusual punishments." Yet conditions inside many of our prisons violate the constitutional rights of the inmates.

We have received chilling tales from inside the U.S. penal system and the worst are the state prisons. Inmates at the Clinton Correctional Facility in rural New York have complained that they have been beaten, hosed down, harassed and subjected to degrading treatment. Within the prison's massive gray walls, more than 2,000 inmates are crowded in dank, musty cellblocks. They sleep with roaches in their bedsprings, bed bugs in their mattresses and an open toilet two feet from their heads.

Conditions in Attica, another notorious New York prison, are even worse. Inmates rebelled there in 1971, and 39 were killed. It is an illustration of the utter hopelessness inside the prison that 10 bodies were never claimed. There was no one on the outside who cared.

There is a graveyard inside the prison wall that contains the graves of 200 inmates whose bodies have never been claimed. In each case, a bulldozer dug a trench, the body was dumped in it, and a small marker was placed over the grave. The markers

give only the inmates' prison numbers.

Conditions are better in federal prisons, but these, too, have become overcrowded. Attorney General Griffin Bell has warned the White House that there are now 6,000 more federal prisoners than the prisons can hold.

The worst of the federal installations is the Atlanta penitentiary. Its officials are unusually severe. We once reported that an inmate had secretly married his girlfriend in the prison waiting room. It was a harmless, romantic episode, but the authorities stripped him of his "good time" credit and canceled his new wife's visiting rights.

But there's a much more serious problem at the Atlanta facility. There have been nine murders there in the past 17 months.

Georgia Rep. Wyche Fowler has called for an investigation of the controversial prison. Federal Prisons chief Norman Carlson will soon have a preliminary report from his investigations. But our sources inside the penitentiary warn that the investigation will be a whitewash. It will take an independent investigation to get the facts.

They claim that assaults are routine inside the prison. These allegedly become fatalities because of careless medical attention. Several fights have also turned into murders because of the loose security. One informant was mistakenly placed with other inmates. He did not come out alive.

Battle of the Sexes: The hottest war going on in the

Pentagon is a battle of the sexes. A recent Army study recommended that the number of women recruits be limited. The study contended that women are absent from duty three times more often than men.

But the Army brass doesn't want to stir up the Women's Liberation movement. Army Secretary Clifford Alexander told us he hasn't received or reviewed the study. But he said the recommendations "run counter to good sense."

Both the Navy and Air Force hastily added that they have found no difference in absentee rates. In fact, the Air Force said it plans to double the number of women in the next five years.

Federal Fraud: Congressional investigators recently estimated that fraud in federal aid may exceed \$12 billion annually. The fraud is said to occur primarily in programs designed to provide services, training and aid to the disadvantaged. These programs include food stamps, health care, job training and housing aid.

The experts say much of the fraud is committed not by the poor persons receiving the benefits, but by well-to-do doctors and businessmen who have contracts with the government.

President Carter has bluntly warned his Cabinet members that he will hold them personally responsible for fraud in their individual agencies. Carter said it is their responsibility to find the fraud and put an end to it.

Town Meeting Thoughts

To the Editor of the TOWNSMAN:

The following are a few random thoughts on the recently concluded, extremely lengthy, Town meeting: Four late nights in a row are a bit much. Is it possible to establish in advance that they will end at 10:30 whatever the next item on the agenda is?

What a super job our new Moderator did? He never cut off debate until he sensed, always accurately, that people were ready to vote and he managed to create an atmosphere of, how shall I say it, congeniality throughout the entire proceedings. Thank you Mr. Doherty, you are to be congratulated for handling a rather difficult job with an awful lot of class.

Andover is indeed going to the dogs when you consider that the biggest number of voters attended the evening

that overly debated, highly emotional item, came up for action!

Wasn't it great to see Dr. Griggs vocalizing the opinion of numerous Andover taxpayers concerning Item 60 submitted by the School Department. When will they play it straight with the town and separate essential items from luxury items I wonder. One cannot argue with their success but nobody at town meeting convinced me we really need an auditorium; I heard a lot of talk about culture but never understood what that had to do with bricks and mortar!! In any event when word gets around next April that the whole exercise will entail double sessions for all junior high school children, me thinks the school department is going to be getting an awful lot of flack.

Peace.

J. Everett Collins

To the Editor of the TOWNSMAN:

Each searches for relevancy in his life and last week I found my share. Thursday was Everett Collins' birthday—his 84th. Unbeknown to him, his high school students, who love him very much, prepared a birthday party for him near the end of the school day. A cake with candles was on top the piano; a watch was presented him as a symbol of their affection, and there were tears on the cheeks of this 84 year old man as his caring teenagers pressed about him.

That evening he was to attend a second birthday party, but that evening was also the night an auditorium would be voted upon at town meeting. And Everett Collins wanted that auditorium because his music program needed it. His students deserved that facility. So on the evening of his 84th birthday, he attended not his birthday party but town meeting instead. He spoke on the issue convincingly and the people listened attentively. He told Andover's citizens that their youth deserved no less. After he had finished, no one doubted that Everett Collins had won some votes

through the eloquence and sincerity of his words, and since the vote was close, his effort had in effect been necessary to win the auditorium.

I found there were things to be learned from this day's experience. It contained a mixture of love, of purpose, and of selflessness. It also cast a unique light on how fulfilling the aging process can be. As I said at the beginning, it contained relevance.

Dogs Vs. Children

To the Editor of the TOWNSMAN:

It was interesting to note at the Annual Town Meeting that twice as many people showed up to vote for the dogs as did for the children of Andover. Is this a valid means by which to measure the value systems in this town?

Questions For Cohen

To the Editor of the TOWNSMAN:

A recent editorial Lauding Rep. Gerald Cohen caused a vivid image to appear on the television screen of my imagination. Prompted by a campaign initiated by THE TOWNSMAN, a grateful citizenry had erected an equestrian statue of Cohen adjacent to the field artillery piece in Memorial Park. That proximity might be useful for, when all the facts of Cohen's handling of the MBM probe are revealed, the erec tors of the statue might wish quickly to dispose of it.

There is no question about the fact that the MBM UMass contract and that consulting firm's dealings in Massachusetts let off an odor that would turn a cast-iron stomach. There is also no question, in my view, that in his race for the limelight of center stage and higher office Cohen has mishandled the inquiry and should be made to provide answers to a number of serious questions.

1. Is Cohen's Subcommittee, because it numbers fewer than half of the Post Audit and Oversight Committee, illegal in its composition under Massachusetts law?

2. Why did Cohen claim to have attempted to reach Senate President Kevin Harrington by phone before issuing a subpoena for the Senator's financial records when it is documentarily evident no such calls were placed? Hence, Kevin Harrington's comment about Cohen's be-

ing a "documented liar."

3. Why did Cohen subpoena personal records of Sen. Harrington and apparently read them even though they were beyond the scope of his investigation?

4. Is it true that Cohen claims that he was unaware that his late brother worked for MBM on its UMass project?

5. Although an allegation is certainly no proof of guilt, why did Cohen's college friend David Bartley's name crop up so late in the investigation?

6. What part did David Bartley's friendship play in motivating George Keverian to give Cohen a safe district instead of facing a head-to-head contest with another present representative as do most other representatives in the Merrimack Valley?

7. Why did Cohen raise such a ruckus about Sen. Harrington's testifying in closed session and none at all about businessman William Masiello's twice doing so?

8. Why is Cohen's voting record on roll call votes by far the worst of any representative from the Greater Lawrence area?

There was a time certain California voters were enthused about Richard Nixon's inquisition of Helen Gahagan Douglas. I wonder how many would still subscribe to that view?

On Revaluation

To the Editor of the TOWNSMAN:

And so the town for the third consecutive time voted down the funds which the Board of Selectmen had recommended be appropriated to accomplish a revaluation of the real property in the town after a delay of eleven years. Why the townspeople should have been so afraid of a full and fair valuation of their real estate is hard to understand, particularly since the same thing has been accomplished for 1967 revaluation — 100% now seems to mean something other than what it meant then.

It is particularly sad that the opportunity to insure that all real estate tax payers are paying their fair share of the taxes, rather than more or less as the case may be, was lost on the basis of irrelevant and even specious arguments. It seems to me important that each property owner feel that he is paying a fair share of the total taxes collected relative to his neighbors. Right now he cannot feel so and such a condition certainly needs correction.

With respect to state aid to the cities and towns, this is currently based upon a total figure computed by the state known as the "equalized valuation" of the municipality. For this year and last year this figure was some \$454 million. We have now been informed that for the next two years (1979-80) it will be \$507,100,000 — a considerable increase without the town's having been revalued. This in itself will in

Clarification

To the Editor of the TOWNSMAN:

There seems to be some misunderstanding concerning the position of the Andover teachers on the calendar for the school year 1978-79. Although I do not know the origin of the misinformation, I would like to clarify the situation.

The Andover Education Association did conduct a poll of all the schools in the system. In this poll our Calendar Committee presented two options with the basic difference being a full or partial February vacation. The teachers did state a definite preference and gave many reasons for their preference. The main reason being that to require such a long uninterrupted period of study is not educationally sound since children are less likely to perform at their optimum level.

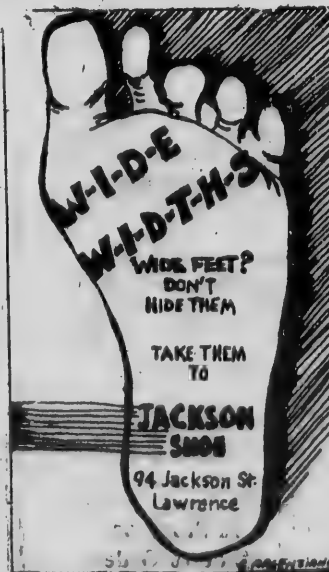

All of the schools including West Elementary School and East Junior High School responded overwhelmingly in favor of the full February vacation.

The results of our poll were reported to the Andover School Committee and they apparently have chosen a different school calendar than the one recommended by the teachers.

For Those Of Us
Who Are Older

by Janet D. Lake

To all those concerned citizens who met at The Haven in late April for the purpose of having their hearing tested, do not despair. As many of you know, the equipment broke down for both dates, and unfortunately, it is still unrepaired. The Haven Director is still pursuing the matter and has not forgotten you, but the next possible date for the hearing test will be some time in August or October. Dottie Whinn will appreciate your patience and indulgence, and promises that just as soon as the program is operable and available, it will be scheduled for The Haven.

On May 11 at 2 p.m. there will be a special program at The Haven for the ladies. The post-mastectomy group sponsored by the local "Y" and known as ENCORE will conduct a session to teach self-examination for lumps in the breasts. There will be films and demonstrations and every woman in Andover — not just the "over-60" group is invited to this important meeting. Remember — Thursday, May 11 at 2 p.m. at The Haven.

The Tuesday morning table tennis group would like to expand its numbers. Anyone interested or who thinks they might like to become interested in table tennis is encouraged to come to The Haven any Tuesday morning between 10 and 12 to watch, to play, to learn the finer arts of table tennis.

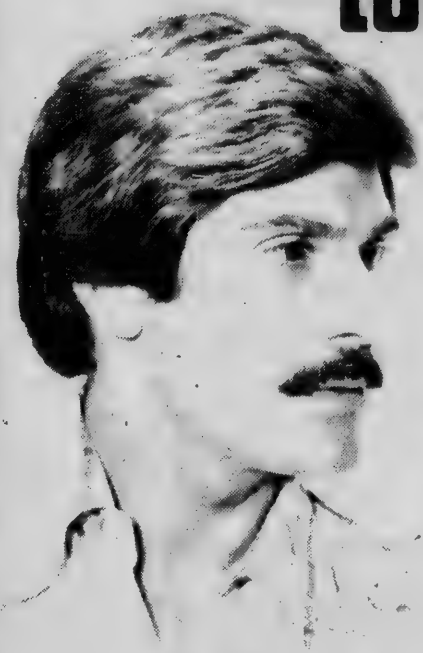

All those Whist players out there in the community are invited to join the group at The Haven that meets every Monday afternoon at 2. Come learn, come to play. It is great fun and the group is a friendly one.

On The Soccer Fields

By She Livermore

The Under 8 Division got underway last weekend: they play a modified version of the game which is designed to teach them the skills. It was fascinating to watch 6 and 7 year olds kick the ball with as much vigor as the older players. They play at Bancroft School and if you want to witness a bunch of little guys having a lot of fun, as well as healthy exercise, drop by some Saturday morning. Brief results of the older Division's games follow:

UNDER 10

Falcons 0 - Marblehead Whitecap 1

Marblehead's goal in the second half won them the victory in a game which saw both teams working hard for possession of the ball and making many assaults on the nets. Outstanding Booters: Paul Mooradian, Ramsey Lynch and Jamie Soule.

Ravens 1 - Marblehead Lancers 6

The Ravens found the going tough as Marblehead played a very strong game throughout and were successful in scoring six goals. Andover's only goal was scored by Mark Neaves in the second half. Outstanding Booters: Ed Meagher and Eric Jedrzejek.

Condors 6 - Swampscott Toughskins 0

The Condors made the going rough for Swampscott; apart from scoring six goals, brilliant defensive play by Geoff Boland, Jim Pathiakos, Scott Friese and Brian Cronin prevented Swampscott from taking any shots on the goal. Goals scored by Jamie O'Brien, Jeff Smith and Jim Pathiakos.

Hawks 5 - Eagles 1

The Hawks played a strong offensive game against the Eagles and only alert defensive play and great goal tending by Richard Bordelais and Tim Higgins, held the spirited Hawks to a 5-1 victory. Goals scored by Nicky Coon, Chris Sappupo, Fred Kratz and Bruce Lane. Outstanding Booters: Forwards Cameron Deery, Matt Young and David Isaacs (Eagles).

Pumas 0 - Marblehead Hornets 2

The Pumas played against Marblehead in a game which saw a lot of action on the field but very little in the goal zones. Just before the final whistle, Marblehead scored two quick goals to give them the win.

Osprey 2 - Marblehead Spurs 0

The Osprey's offensive tactics were successful and Barry Tucker scored two goals in the first half. Strong performances by Malcolm Galvin, Eric Shannon and David Sorrie helped Andover control

the game and afforded Marblehead few scoring opportunities.

Owls 3 - Marblehead Wolves 2

The Owls played a spirited game against Marblehead, who were challenged by good defense play whenever they gained possession of the ball. The Owls were able to score the extra goal for the win. All three goals were scored by Ron Forbes. Outstanding Booter: Todd Swift.

UNDER 12

Cougars 0 - Peabody Titans 3

Peabody dominated most of the game and whilst the Cougars came back stronger in the second half, they were unable to overcome Peabody's strong defensive line and score any goals. Outstanding Booters: Kathy Neaves, Lisa Marcella and Christina Dellacroce.

Wolves 3 - Marblehead Rowdies 3

In a re-match with the Rowdies, the Wolves had to overcome gust-like winds and blowing dust! Both teams were evenly matched and both were successful in scoring three goals for a tie game. All three goals scored by John Crawford. Outstanding Booters: Eddie McParland and Frank Lanio.

Bears 5 - Swampscott Falcons 1

The Bears found the gusting winds blowing against them in the first half as Swampscott made many assaults on their nets, all but one successfully blocked by goalie Eric Sanborn. With the wind behind them in the second half, the Bears were more successful in scoring goals for the win. Outstanding Booters: John Tremblay

and Joe Murphy.

Bisons 6 - Marblehead Aztecs 1

Marblehead made many assaults on the Bison's goal zone in the first half, all of them successfully blocked by strong defensive tactics; they were awarded a penalty shot which was completed. The Bisons played a strong game in the second half and most of the action took place in the Marblehead goal zone. Goals scored by Zack Apgar, Chris Casey and Chris Comparato. Outstanding Booters: Chat Chubbuck and Eric Penney.

Cheetahs 0 - Georgetown Fancy Fielders 1

Georgetown came back very strong after a scoreless first half and only clever defense play by fullback Jennifer Smith and Center Fullback Robin Colombosian, as well as superb goal tending by Michelle Poisson and Laurel Holmes, held Georgetown to a one goal victory. Outstanding Booter: Right Wing Joanne Martin.

UNDER 14

Menominees 2 - Saugus Condors 2

Saugus played strong in the first half and scored two goals. The Menominees came back fighting in the second half, challenged Saugus' defense line and also scored two goals, to make it a tie game. Goals scored by Ian Yates (penalty) and Tim Corkery. Outstanding Booters: Danny Poore and Tom Healey.

Mohawks 0 - Georgetown Valiants 6

In a re-match with Georgetown, the Mohawks were not able to score any goals, although they did make many attempts. Fortunately Georgetown had the same success and the game ended in a scoreless tie game, with both teams splitting the points.

Apaches 3 - Salem Jukes \$

Two first half goals by Craig Lebowitz, as well as good team effort, were the keys to victory for the Apaches. They dominated the first half and met Salem's challenge in the second half of the game, during which they were awarded a penalty shot successfully completed by Tom Duncan. Outstanding Booters: David Collins, David Fredette, Tom Duncan and Paul Hunt (most improved).

Mic-Macs 7 - Lynn YSC 0

The Mic-Macs chalked up their first win against a team from Lynn. They played a very strong game and were successful in scoring seven goals Tom Maginnis, Ken Saliba, Dan Boland, Frank Rossitto, Yvan Levesque and Derek Schmitke. Outstanding Booter: Charles Dye.

Lions 4 - Marblehead Hearts 0

The Lions played a very strong game against Marblehead which resulted in them winning the victory. Goalies Cindy Clinton and Connie Corkery made some

Little League Season Underway Synchronized Swimming Exhibition

By Rick Harrison

The Andover Little League launched its 1978 season last weekend, with most of the major and minor league clubs seeing action on opening day.

In the National Major League, the defending champion Cardinals blanked the Pirates, 3-0, the Giants edged the Cubs 8-7 in extra innings, and the Dodgers slugged the Mets, 10-1.

Monday night the Braves belted the Cards 10-4 in their lidlifter.

In the American Major League, the Red Sox outlasted the Orioles, 17-15, while the Yankees and White Sox also grabbed victories.

National Majors

Cards, 3-0

John Geiger pitched the league's first shutout of the young campaign, twirling a two-hitter and striking out 10 as the Cards blanked the Buccs.

Mark Lefebvre was the hard-luck loser for the Pirates, limiting the defending champs to four hits and pitching well enough to win most games.

Ken Doherty slammed an RBI double for the Cards, while veteran catcher Mark Grams drilled two hits.

Joe Wescott cracked a double for the Pirates.

Giants, 8-7

The Giants coasted into the bottom of the sixth inning riding a seemingly comfortable 4-1 lead, but Jim Wiseman belted a three-run homer for the Cubs to send the game into extra frames.

The winners then outscored the Cubs 4-3 in the seventh to secure the victory.

Steve Eldred collected the mound triumph in relief of Chris Scarpa, who worked the first six innings for the Giants.

Kurt Smith had two hits, including a homerun, and Scarpa spanked a pair of safeties for the Giants.

John Crawford pitched well for the Cubs.

Dodgers, 10-1

Bob Wilson and Greg Hopwood worked three innings apiece on the hill, combining for a crisp two-hitter as the Dodgers dumped the Mets.

Bill Brecher and Don Yeager led the offense with a single, double and three RBI apiece, while Chris Marsella also stroked a single and double.

Chris Bartley and Tom Finneran notched the only Mets' hits.

National Minor

The Cardinals, Astros, Braves and Phillies all registered opening day victories in the National Minor League, and the Phils then made it two straight by dumping the Redlegs Monday night.

Cards, 10-5

BJob Nelson and Craig Barry pooled talents for a seven-hitter as the Cards crunched the Dodgers, 10-5.

Nelson helped his own cause with a homerun and single, while Matt Leonard smacked a double and single.

Todd Deery contributed a triple, single and some outstanding defense at catcher for the victors.

Peggy Lee lashed two hits, Glen Leitch came up with an unassisted doubleplay, and John Drake was the losing chucker for the Dodgers.

Astros, 10-8

The Astros used a six-run sixth inning to collect a comeback 10-8 victory over the Giants.

Yale Lynch slammed a homerun and triple for the winners, Jim Burgess delivered a key double and single, and Bob Padva made superb diving catch.

Dave Petrella worked two innings in relief to notch the mound win, besting the Giants' Steve Rogers who tossed a complete-game eight-hitter.

Ian Torok spiked four hits for the Giants.

Braves, 7-2

Doug Wayland, Ron Liss and Pat Fleming divided the pitching duties as the Braves scalped the Reds, 7-2.

Wayland and Dave Schwedler cracked homeruns for the Braves, while Pete Stelzner slugged a triple.

Mitch Wilkins rapped three singles for the Reds and Eric Deloury was saddled with the pitching loss.

Phils, 10-4, 15-6

The Phils trimmed the Pirats, 10-4, and then dropped the Reds, 15-6, as Fran Ferrara picked up both pitching victories.

Both Ferrara and Matt Ostrowski drill-

ed homeruns against the Reds. In the Pirates' game, Kirk Orell spanked a homerun and triple for the Buccs, while Shaun O'Shea added a pair of safeties.

American Minor

Angels, 30-6

Winning pitcher Lincoln Field contributed a single, triple and homerun in his own behalf, and the Angels played errorless ball in the field enroute to a season-opening 30-6 romp over the Senators.

John Terrion and Ted Staats chipped in four and three hits respectively for the winners.

Senior League Tryouts

Tryouts will be held at Andover High School on May 6 and 7 at 1:00 p.m. for 13 year olds and 2:30 p.m. for 14 and 15 year olds. New players must attend tryouts to be eligible for selection.

Players already on teams should also register at the field. Registration forms may be picked up at the Andover Hockey Shop, Central Fire Station, or at the field.

Warrior Trackmen Score Big

The Andover High School track team had one of the biggest weeks in its history, winning victories over Methuen, in a key Merrimack Valley league dual meet, and winning the State Class B Relay championship.

Andover defeated Methuen on Wednesday in a thriller, 74-71, and then came back to score 82 points in the State Relays to best Methuen with 66 points and Reading with 51, the nearest competitors.

Outstanding performances of the week were turned in by Paul Keefe with a 6'6" high jump and a :15.0 high hurdles; Rick Collins with a :10.1 - 100 and a :51.6 - 440, Dan Welsh with a 165'5" javelin throw, Dave Bono with an 11'6" pole vault, Jim Hamilton with a 4:38.5 mile and Paul Farnham with a 44'11" triple jump.

Next week Andover meets Lawrence High in a dual meet at home on Thursday May 4, and competes in the Annual Booster's Invitational on Saturday, May 6 at 1 p.m.

Tennis Team Wins Two

By Renee Pruneau

As of April 27 the A.H.S. girl's tennis team was undefeated. On Friday, April 21 the season opener was played against Tewksbury at Tewksbury. The three singles matches went to Andover. The first match played by Kelly Sullivan was a 6-0, 6-2 win. The second match played by Andover's Cathy Driscoll was won with a 6-1, 6-0 score. The third singles game was played by Maureen McClosky with a 6-2, 6-2 win. The first doubles match was the only one lost by Andover so far. The A.H.S. players included Sue Casanave and Karen Sullivan the games were 1-6, 5-3, and a rallying 6-7. The second doubles match was won by Andover, 6-7, 6-0, and 6-3 the Andover High tennis players included

Allison Labell and Barbara Clarke. The final score, Andover 4, Tewksbury 1.

The second game was a shutout. Andover played Wilmington at Wilmington, winning 5-0. Kelly Sullivan had the first victory of the afternoon with an easy 6-0, 6-0 match. The second match went to Cathy Driscoll, 6-4, 6-1. The third singles match was again won by Andover High, the score, 6-0, 6-0 shows the ease with which Maureen McClosky beat her opponent. The first doubles match was not as easy as the previous ones but Andover soon won, 6-4, 5-7 and 6-2. The partners in this included Beth Clevesy and Allison Labell. The second doubles and final match went to Andover, again, this time Karen Sullivan and Sue Casanave were the winners with an excellent 6-2, 6-2 score.

Softball League To Open

The Recreation/Community Schools Men's Softball League opens its season at 6:15 p.m. on Monday, May 8 at the Recreation P/rk Field astwo new teams—Trombly Motor Coach vs. Bowne Burns—square off in the season opener.

Thirteen teams make up the league this year, with three new clubs filling in spaces left in the schedule by non-returning teams. This year's schedule has each team playing 24 games—facing each opponent twice—and spans the calendar from the second week in May to the third week in August.

Two games will be played each Tuesday, Thursday and Friday nights while tripleheaders will be held on Monday and Wednesday dnings. All games are played at the Recreation Park Field.

Teams will be competing all season long

for six play-off spots that will ultimately lead to a play-off championship series early in September. This week's scheduled games are:

Monday: 6:15 Trombly Motor Coach vs. Bowne Burns; 7:45 Town Grill vs. Dolans; 9:19 Essex Pub vs. Sport Shop.

Gourmet Store Opens In Salem, N.H.

Jim and Claire Greene, 158 North St., Methuen, have opened the Cook's Concern at 467 South Broadway, Salem, N.H.

The store, next to the Salem Tri-Cinema, features its own built-in kitchen facility to demonstrate and teach the art of fine cooking.

Future courses in the art of gourmet cooking will be

given at regular intervals in the store featuring gourmet products for the modern kitchen.

Door prizes largely

drawn from stock will be awarded during the open house.

"We want to help people discover that gourmet

cooking can be fun and well within the average per-

son's budget," said Claire Greene.

Some people have believed that a short shadow indicated waning strength.

Workshop

The Massachusetts Nurses Association, District IV, will present a "Management Workshop for Nurses" on Tuesday, May 9, 1978 from 8 a.m. to 3:30 p.m. at the Inn on the Pike Danvers.

Program leaders will be Muriel A. Poulin, Chairperson, Nursing Administration Graduate Program at Boston University and Vice-President of the American Nurses Association. Also Mary Beth Strauss, Acting Director, Continuing Education Program, Boston University.

Registration is limited to registered nurses and students of professional schools of nursing. Continuing education units will be awarded through the Massachusetts Nurses Association.

Those interested may contact Marolyn Ciarletta, Chairperson, Salem Hospital School of Nursing.

Celtics 2 - Marblehead Cosmos 1

The Celtics were the victors against Marblehead Cosmos, who made numerous goal shots, all but one successfully blocked by goalie John Cox. Andover's goals were scored by Mark Reed and fullback Chuck Angello, who kicked one in from his defensive area right over the goalie's head! Outstanding Booters: Dave Hotham, Dan and Bill Donovan, and Tim Jensen.

The Mercedes-Benz 280E
just finished first and second in the world's
longest and toughest rally.
Once in a while it's nice to prove a point.

The 31,000-kilometer London-to-Sydney Marathon Car Rally started in London on September 14th. It ended in Sydney, Australia, on September 28th. 69 cars started but only 19 completed the full course (the last 15,000 kilometers of which wound through vast areas of desert).

First: Mercedes-Benz 280E (A. Cowan-C. Mallin-M. Broad)
Second: Mercedes-Benz 280E (A. Fowkes-P. O'Gorman)

The victorious, privately entered cars were factory-prepared.

All modifications (within the limits of the Rally's regulations) were made with the same type of meticulous attention to detail that goes into every Mercedes-Benz. Therefore nobody should be surprised at the result of this somewhat demanding endurance test. Mercedes-Benz certainly isn't.

Incidentally, the Mercedes-Benz service car and a fourth 280E, carrying a film crew, completed the course in 6th and 7th positions respectively.

SAAB

Free air conditioner.

**Any free air conditioner, is a deal.
When it's part of a new Saab, it's a great deal more.**

You can get a free air conditioner with free installation with a new 1978 Saab EMS, 3 or 5-door GL and the GLE.

Of course, a free air conditioner is a deal. But the important thing isn't the air conditioner—it's the car. And Saab is a performance car that's famous with car experts.

Consider the features that are standard on Saab; front wheel drive, rack and pin-

ion steering, 4-wheel power-assisted disc brakes, fuel-injected overhead cam engine. And that's just for starters!

But our offer has a time limit. Come in now and test a 1978 Saab at participating dealers. Then decide. It's a cool, intelligent way to buy a new car.

SAAB IS THE COMMAND PERFORMANCE CAR.

Heart Fund Road Race Is May 20

On Saturday, May 20 at 11 a.m., rain or shine, the starting gun will sound to begin the First Annual Greater Lawrence Heart Fund Road Race. The six mile race will begin and end at the Greater Lawrence Regional Vo-Tech School in Andover where refreshments and facilities will be available to participants. The race is open to all running enthusiasts and trophies and prizes will be awarded.

Atty. Patrick McCarthy of Lawrence, Chairman of the event, is an avid runner who has competed in 10 races and runs 5-6 miles daily. A Suffolk Law School graduate, Atty. McCarthy is an active member of the Lawrence, Massachusetts and American Bar Associations; Vice-Chairman of the Greater Lawrence Regional Vocational Technical High School District Committee; Board of Directors, Title VII Nutritional Program; Bon Secours Hospital Guild; Men of Merrimack and the Central Catholic Men's Guild.

All interested runners are encouraged to enter the race. Inquiries may be directed to Atty. Patrick McCarthy, 316 Essex Street, Lawrence or the American Heart

Association, Northeast Mass. Division, 79 North Main Street, Andover.

the first half. Good defensive tactics in the second half thwarted Haverhill's many attempts to score, giving Andover the victory. Goals scored by Rich O'Hara (corner), Tony Cammarata (penalty) and Peter Chiklis.

Leopards 1 - Marblehead Chargers 5

The Leopards were confronted with strong winds and formidable opposition when they journeyed to Marblehead. They were successful in scoring a goal in the first half (Leslie Perry) but Marblehead tied it up, and scored four more in the second half for the win. Outstanding Booter: Lisa Williams.

Births...

BRUNO — A daughter, Amanda Jane, born April 30 at the Lawrence General Hospital to Mr. and Mrs. L. Michael Bruno, 25 Kendall Street, Lawrence. The mother was Susan Caldwell and the grandparents are Mr. and Mrs. Louis M. Bruno and Mr. and Mrs. Richard Caldwell of Andover. Great-grandparents, Mr. and Mrs.

James Caldwell of Andover. The Brunos have one other daughter, Karen.

KENNY — Twin sons, Michael John and Mark James, to Mr. and Mrs. Paul Kenny, 16 Wethersfield Drive, Andover. The mother was Joanne Mary Fish. Grandparents are Mr. and Mrs. Joseph N. Fish

of Jamaica Plain and Mrs. Robert Kenny of Medford.

Celery during the Middle Ages was eaten to soothe nerves, heal wounds and animal bites; by the 17th Century it was eaten as a vegetable, Massachusetts Audubon notes.

Jacob's Ladder — Beautiful Plants & Accessories

Plants make a house a home, especially if they are fresh green plants from Jacob's Ladder in the Methuen Mall. Make your choice from inexpensive little starter plants to cherish and watch grow into beautiful flowers or lush green, all the way to hanging plants of every size and description, and mature plants to complete the decor of your home or office.

Now, in order to supply the shop with an even greater selection of fresh, healthy plants, Susan Mackay, owner of Jacob's Ladder, has her own greenhouse. She is presently in the process of stocking it and with this direct supply of fresh plants, Jacob's Ladder will be able to offer the public an excellent variety of plants. She has been a plant hobbyist for many years, and her expert advice on raising plants is always at your service.

A second phase of the business at Jacob's Ladder is the unusual pottery, curios, glassware and antiques. Here you can find the unusual such as handcrafted copper plant hangers, shadow boxes filled with natural materials, dried flowers, terrariums, wind chimes, etc.

Interior landscaping is a specialty of Jacob's Ladder. Their experts will go to your home or office and advise you on plants most suited for your needs. They carry all varieties of plants, from mini cactus to 5 ft. Norfolk pines, any plant you want for home, patio, porch, or place of business.

Look for Jacob's Ladder at the Methuen Mall — just watch for the unique stone front store with the bay windows filled with beautiful hanging plants and curios. BankAmericard and Master Charge accepted. Open Monday through Saturday 10 A.M. to 9:30. Tel. 683-5208.

ARE DAMAGES TAX DEDUCTIBLE?

As a homeowner, expenses from damage or improvements may affect your income taxes. For instance: damage to your house from, say, fire or windstorm may be partially deductible as a casualty loss. After subtracting insurance compensation, deduct \$100 for each accident and the remainder can be claimed as a tax deduction.

Improvements, such as a porch, garage, finished basement, and so on cannot be deducted. However, they can be added to the cost of the house when figuring profit on the sale. So, keep good records of such expenses. Try to preserve

cancelled checks and receipted bills. They will help substantiate the figures if necessary.

I'm just scratching the surface here. If this situation applies to you, I suggest you contact your nearest Internal Revenue Office for a copy of their pamphlet #530 "Tax Information on Deductions for Homeowners". It may save you some money.

If there is anything we can do to help you in the field of real estate, please phone or drop in at THE HOWE AGENCY, 4 Punched Ave., Andover. Phone: 475-5100. We're here to help.

Offers a Certified Home Inspection and Warranty Program for Used Homes

The only used home inspection and certification program (CHIP) approved in Massachusetts by the Massachusetts Association of Realtors is now available through — **The Victor Co.**

What is a Certified Home?

A certified home is one that has been inspected under the Certified Home Inspection Program (CHIP). A CHIP inspection covers all significant structural, mechanical and electrical components of a home and is performed by an experienced professional inspector.

The CHIP Inspection Report certifies the condition of the home. The optional CHIP Inspection Warranty Certification protects the home-buyer against unforeseen major repair expenses during the critical first year of ownership. Reasonable fees are charged for these services.

Some Co-Op Shares Still Outstanding

About 2,000 shares remain uncashed from the Andover Consumers Co-Operative.

Kenneth P. Thompson, treasurer, reported this week that many of the remaining 2,000 shares not yet redeemed probably are due to many letters returned "address unknown," from the original notification mailed to stockholders of record several months ago. There are also many shares attributed to deceased members with the estate apparently hav-

ing no knowledge of the stocks being outstanding.

The Co-Op which dissolved its business and property holdings about three years ago went through a process of closing the books and maintaining retirement benefits for long time employees as required by law before announcing the stock redemption procedures several months ago.

Since that time most of the 13,200 outstanding shares have been redeemed at a profit to the stockholders, Thompson said.

Seek Permit To Move Farm House

The old Shattuck farm house will be moved up the street, if the zoning board of appeals grants permission following a hearing scheduled for tonight in Memorial Hall library at 7:30 p.m.

The property is located in the industrial parcel owned by Arkwright-Boston Insurance Co. through its affiliate Ninety Three Realty Trust which is petitioning the board for the moving of the building.

It is anticipated that the building will be

converted to office use and for a bank. A spokesman for Arkwright said this week that no commitment had been made by any financial institution to locate in the building, that matter awaiting the board of appeals decision.

The building will be located at the intersection of the old and new River Roads and the entrance road to the West Andover Technological Center land.

H-P Reports Increase In Sales

Hewlett-Packard Company today reported a 23 percent increase in sales and a 25 percent increase in earnings for the

First Quarter of the Company's Fiscal Year 1978.

Sales for the Quarter ended January 31 totaled \$368.2 million, compared with \$298.3 million for the First Quarter of Fiscal 1977. Net earnings amounted to \$32.5 million, equal to \$1.14 per share on 28.6 million shares of common stock outstanding. This compares with earnings of \$26.1 million, equal to 93 cents a share on 28.1 million shares, during the corresponding period last year.

In reporting First-Quarter results, President John A. Young noted that sales and earnings continued to show good strength, in incoming orders were the highest in the Company's history. They amounted to \$433 million, up 30 percent,

Teak Trees

Teak trees are floated to market in Thailand, but a freshly-cut teak tree will not float. When teak trees in northern Thailand reach two feet in diameter, at the age of 150 years, a deep ring is cut around the trunk, Massachusetts Audubon says. The tree stands two years, drying out. It then is floated down rivers to Bangkok, a four-year trip because of dry seasons.
